Introduction

Welcome to Springdale!

Yes, Springdale is certainly a lovely town, full of (mostly) nice people, and just like any other normal place, Springdale is teeming with Yo-kai! These strange beings have infiltrated the streets, alleys, schools, parks, train stations…even the waterways and sewer system. They lurk in trees, under parked cars, behind vending machines. Some are playful and friendly, but others arrive with ill intent…and a few are downright wicked. (In fact, there's a whole Yo-kai Tribe of nasty troublemakers called The Wicked!)

With all this daily mischief running amok, it's up to you to figure out what exactly is going on!

The mysterious Yo-kai Watch! Use its lens to see the elusive Yo-kai running rampant in Springdale! Use its power to call upon your Yo-kai friends for help.

THE UPDATED YO-KAI WATCH MODEL ZERO OFFERS NEW FEATURES AND SKILLS!

Use your Yo-kai Watch to explore the town's neighborhoods where you find, battle, and befriend these mischievous creatures. Investigate the massive edifice of the newly-built Excellent Tower in Springdale. Then travel to other amazing areas just a train ride away. Visit the sleepy seaside village of San Fantastico and the quiet country burg of Harrisville…where you can make a spectacular time jump sixty years into the past!

Here the shadowy trail of the Yo-kai leads in new directions and features spooky new factions: Fleshy Souls and Bony Spirits. Meet classic Yo-kai from ancient folklore and learn the origins of the Yo-kai Watch itself, gaining access to the fabled Model Zero upgrade that expands your abilities.

When the truth is finally revealed, you must gather your Yo-kai allies and save Springdale from a dark and joyless future!

What Are Yo-Kai?

Introduction

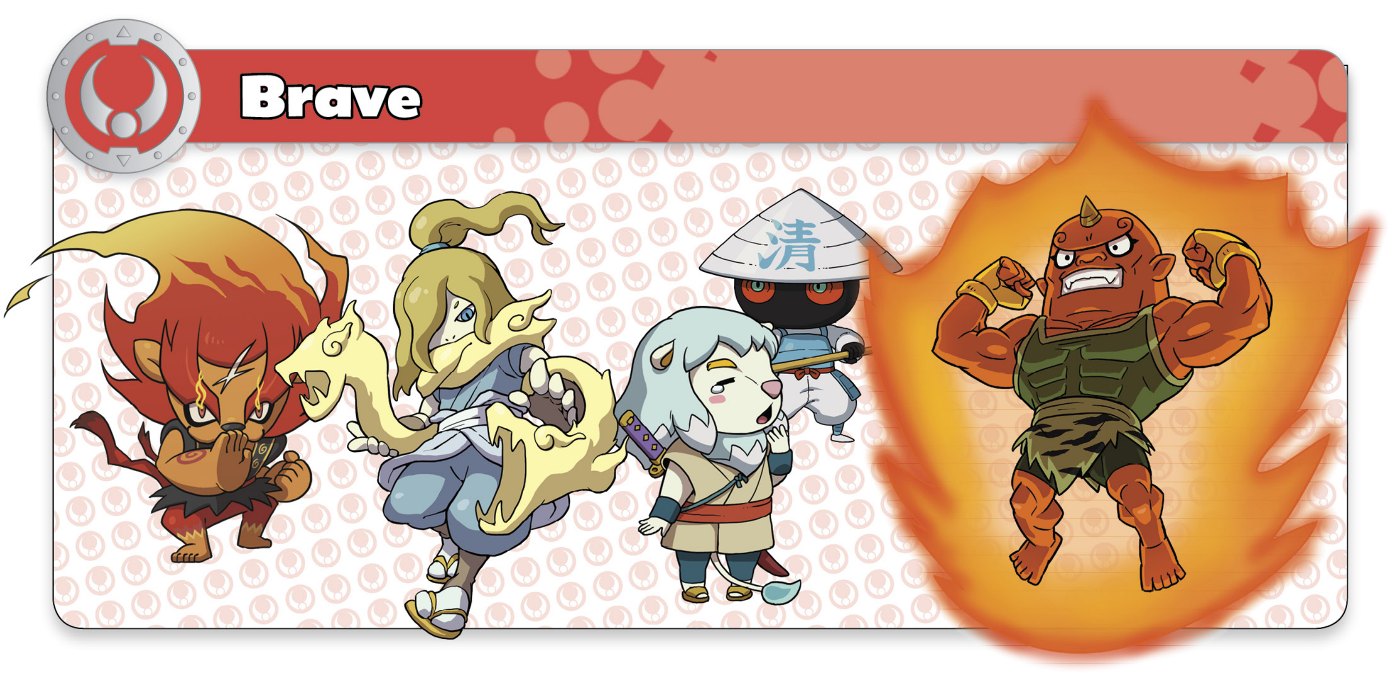
Yo-kai are the physical embodiment of everyday problems. They are strange, spirit-like entities that normal people cannot see. Yo-kai love pranks and causing trouble. They have mysterious powers that bring luck, both good and bad, to the humans around them. If somebody's acting weird, it just might be a Yo-kai inspiriting them!

THE YO-KAI TRIBES

Yo-kai are divided into nine tribes, each with its own unique set of traits.

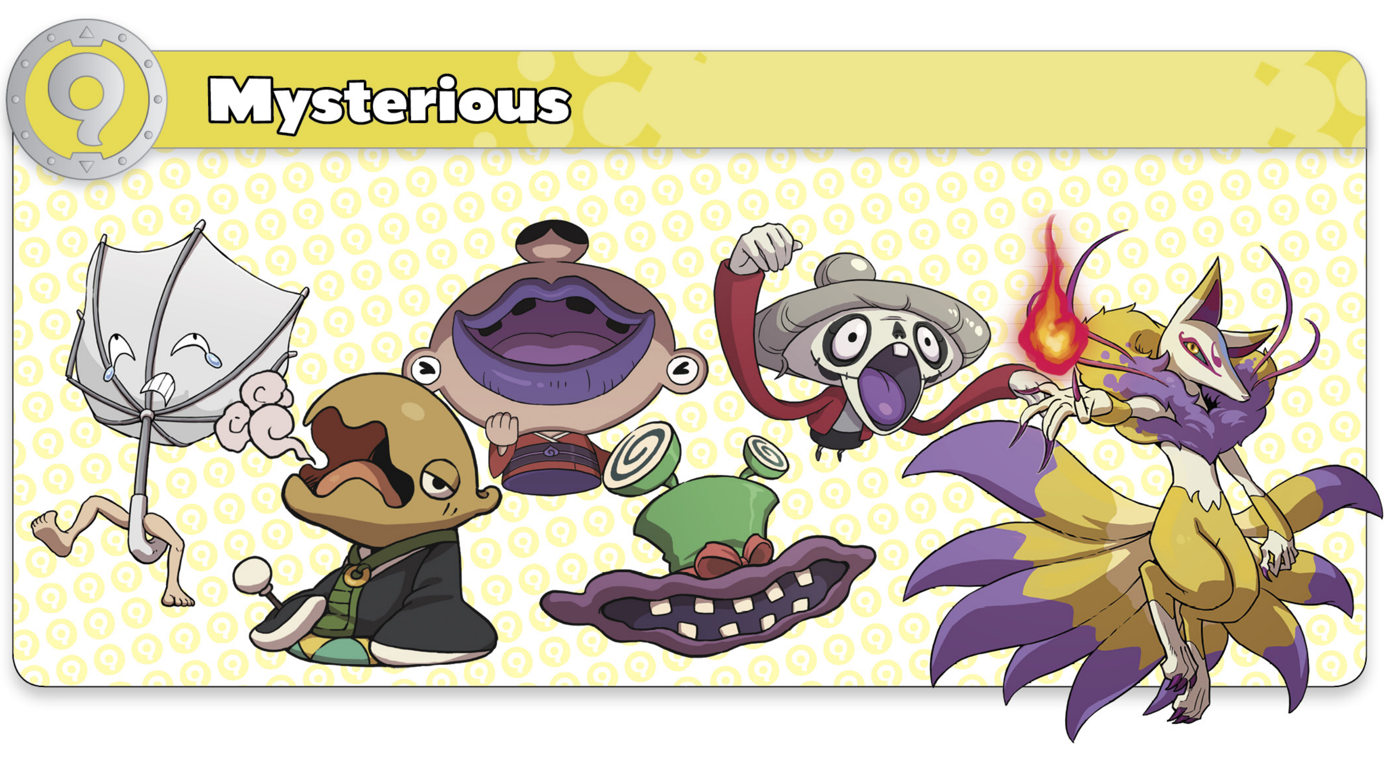
Yo-Kai Tribes

Brave



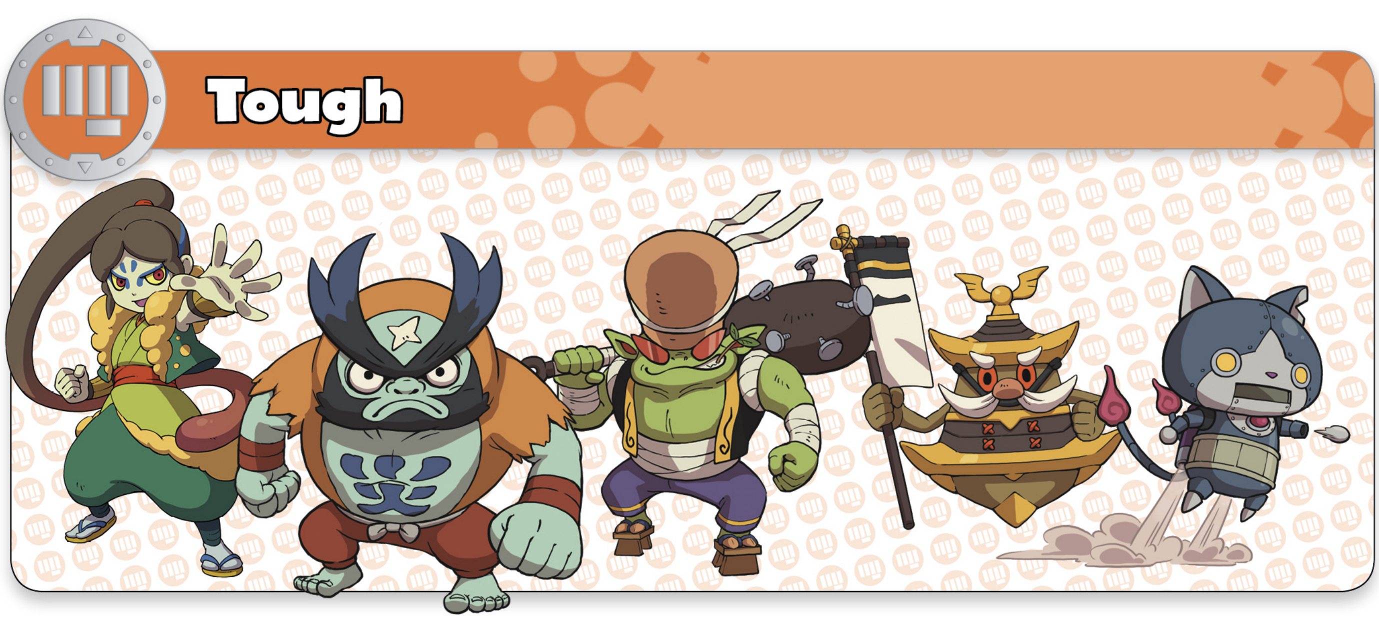
These cool, courageous creatures excel at fighting, especially physical combat.

Mysterious



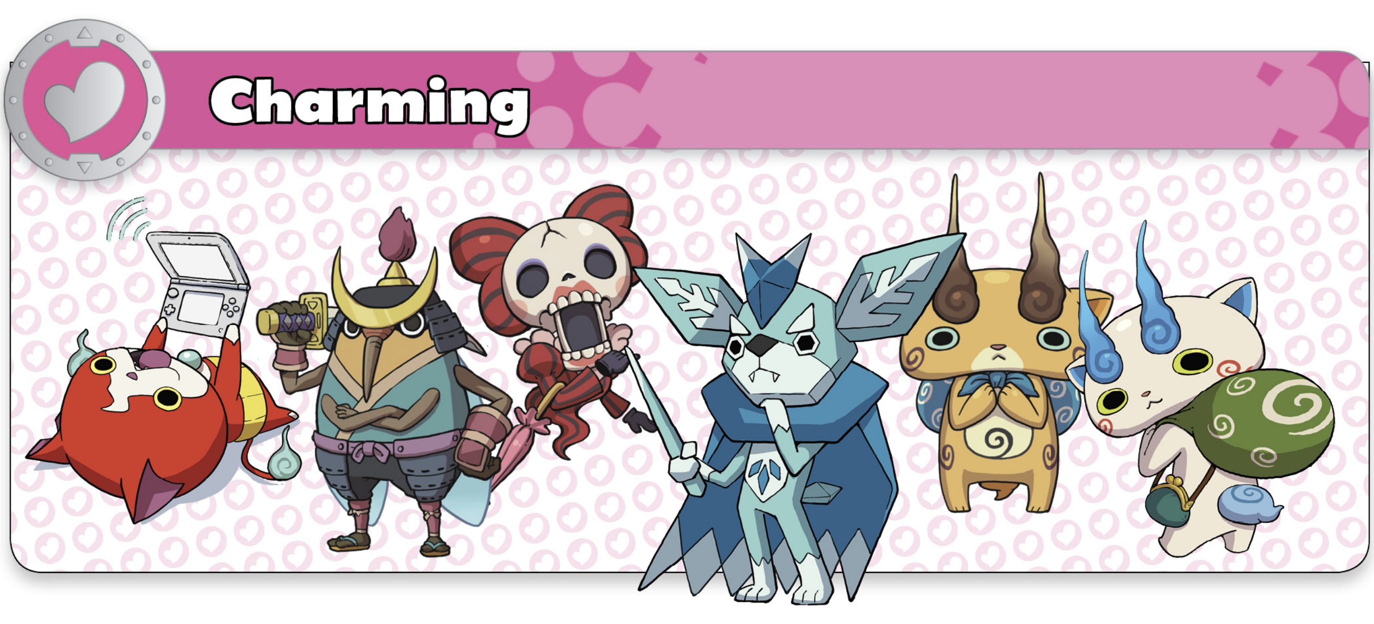
With weird shapes and sizes, they are hard to predict and are strong in Yo-kai Techniques.

Tough



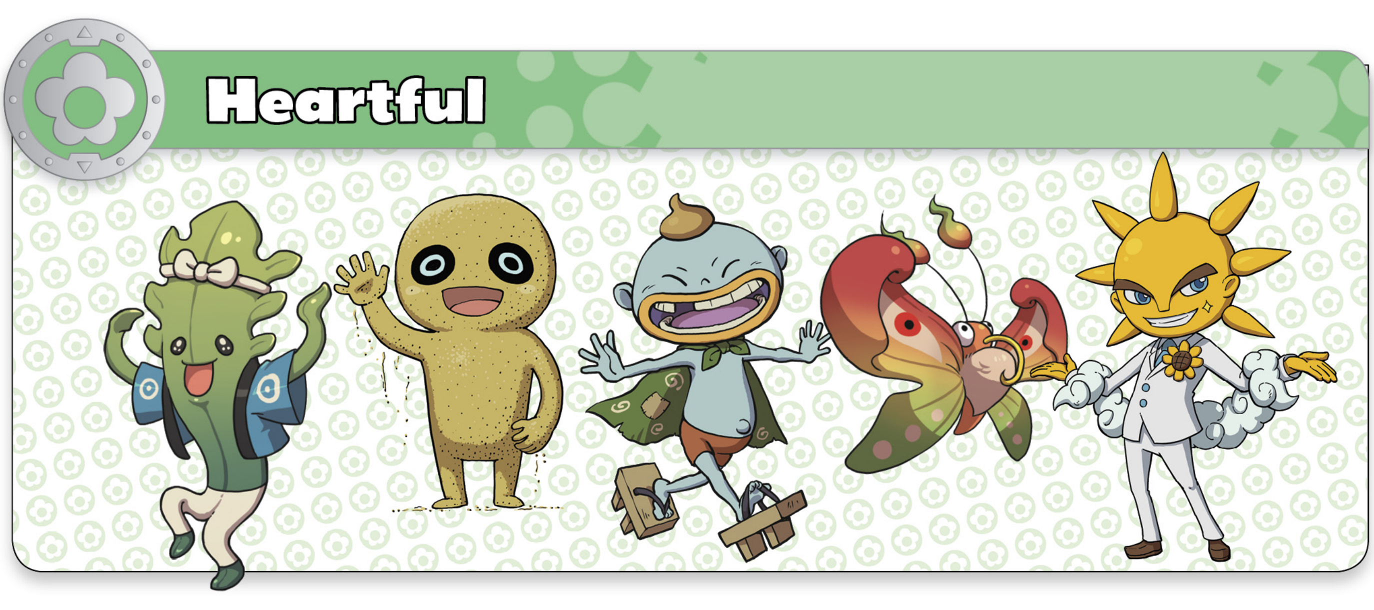
Rugged in body and spirit, they pair sturdy defense with powerful guarding abilities.

Charming



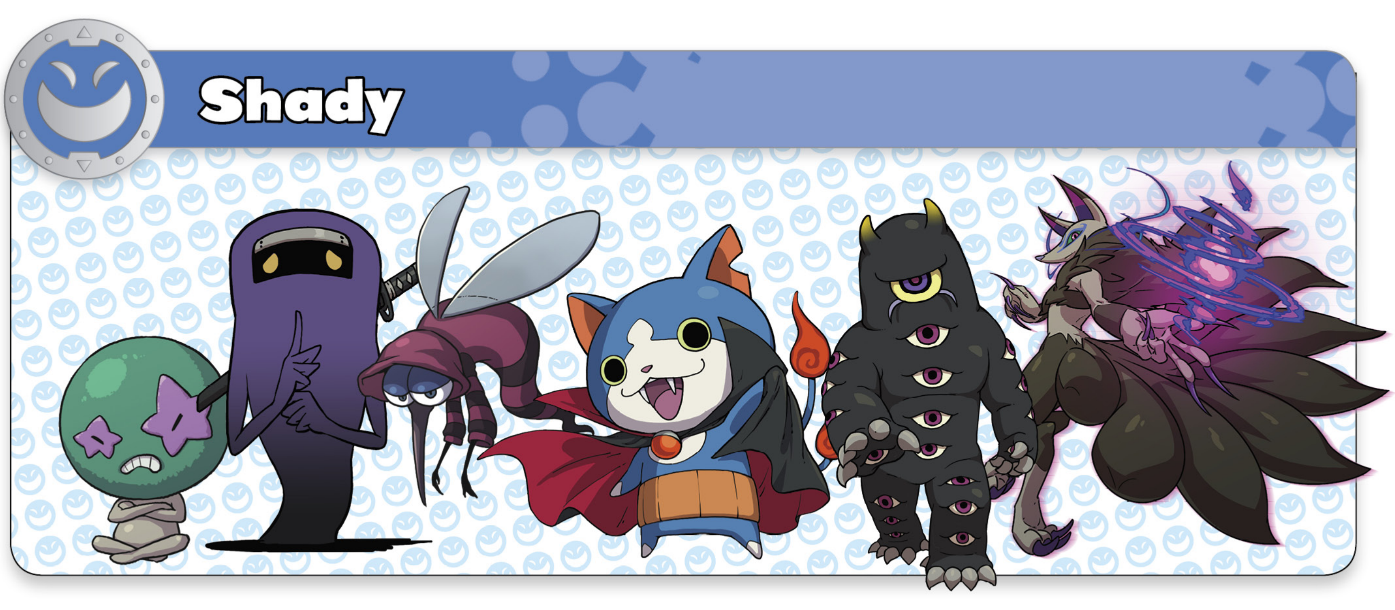
While very cute and even cuddly in appearance, they nevertheless tend to be speedy and sharp in combat.

Heartful



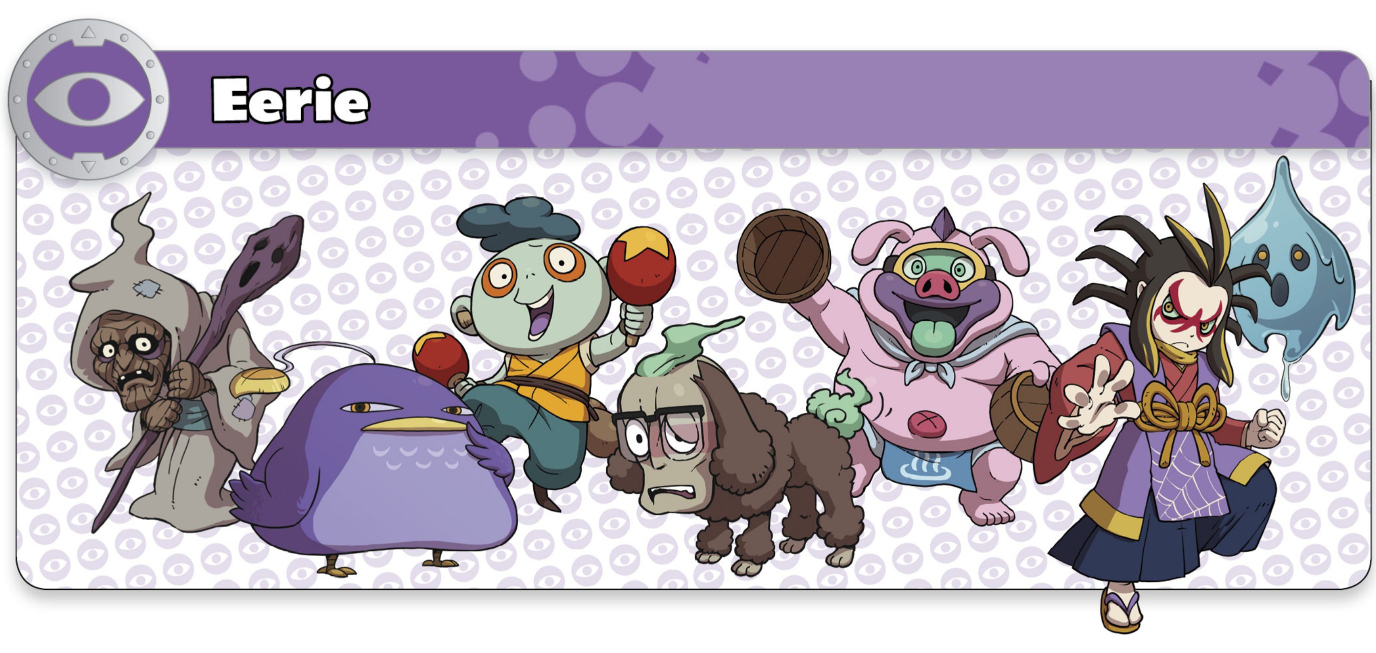
These kind, full-hearted Yo-kai are infused with generous healing abilities.

Shady



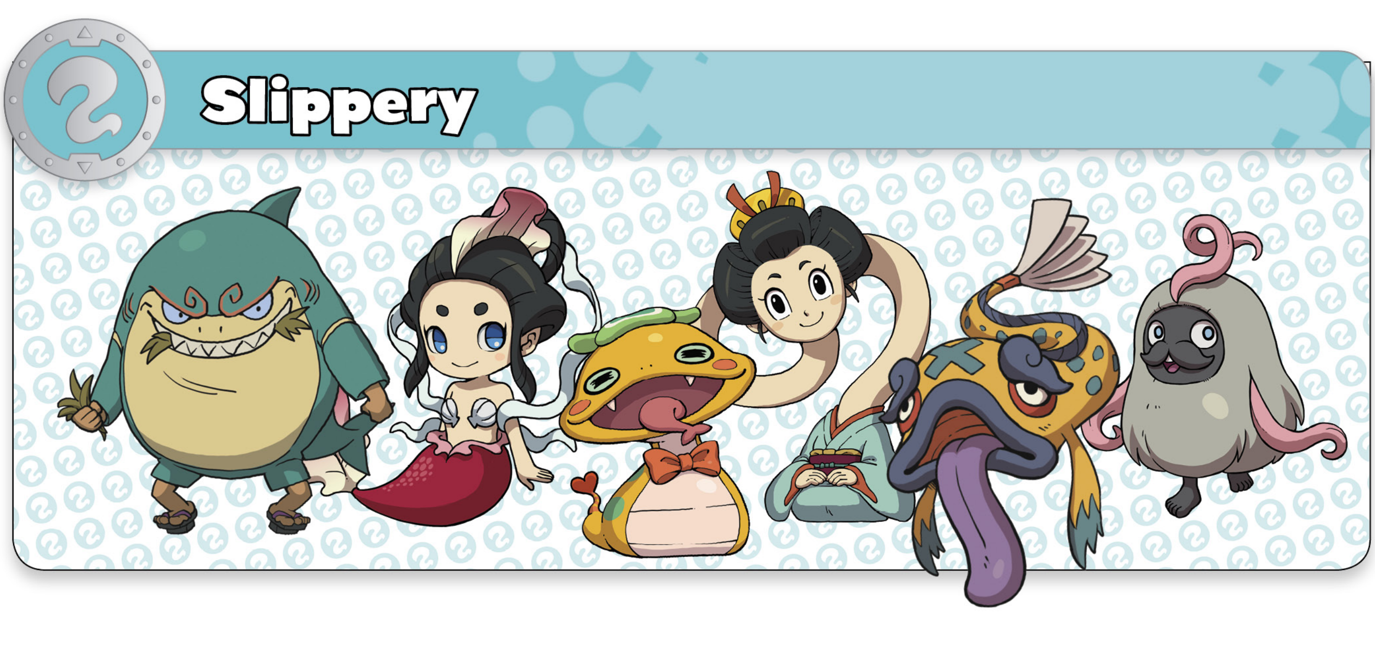
These dark-hearted Yo-kai often bring out the worst behavior in nearby humans.

Eerie



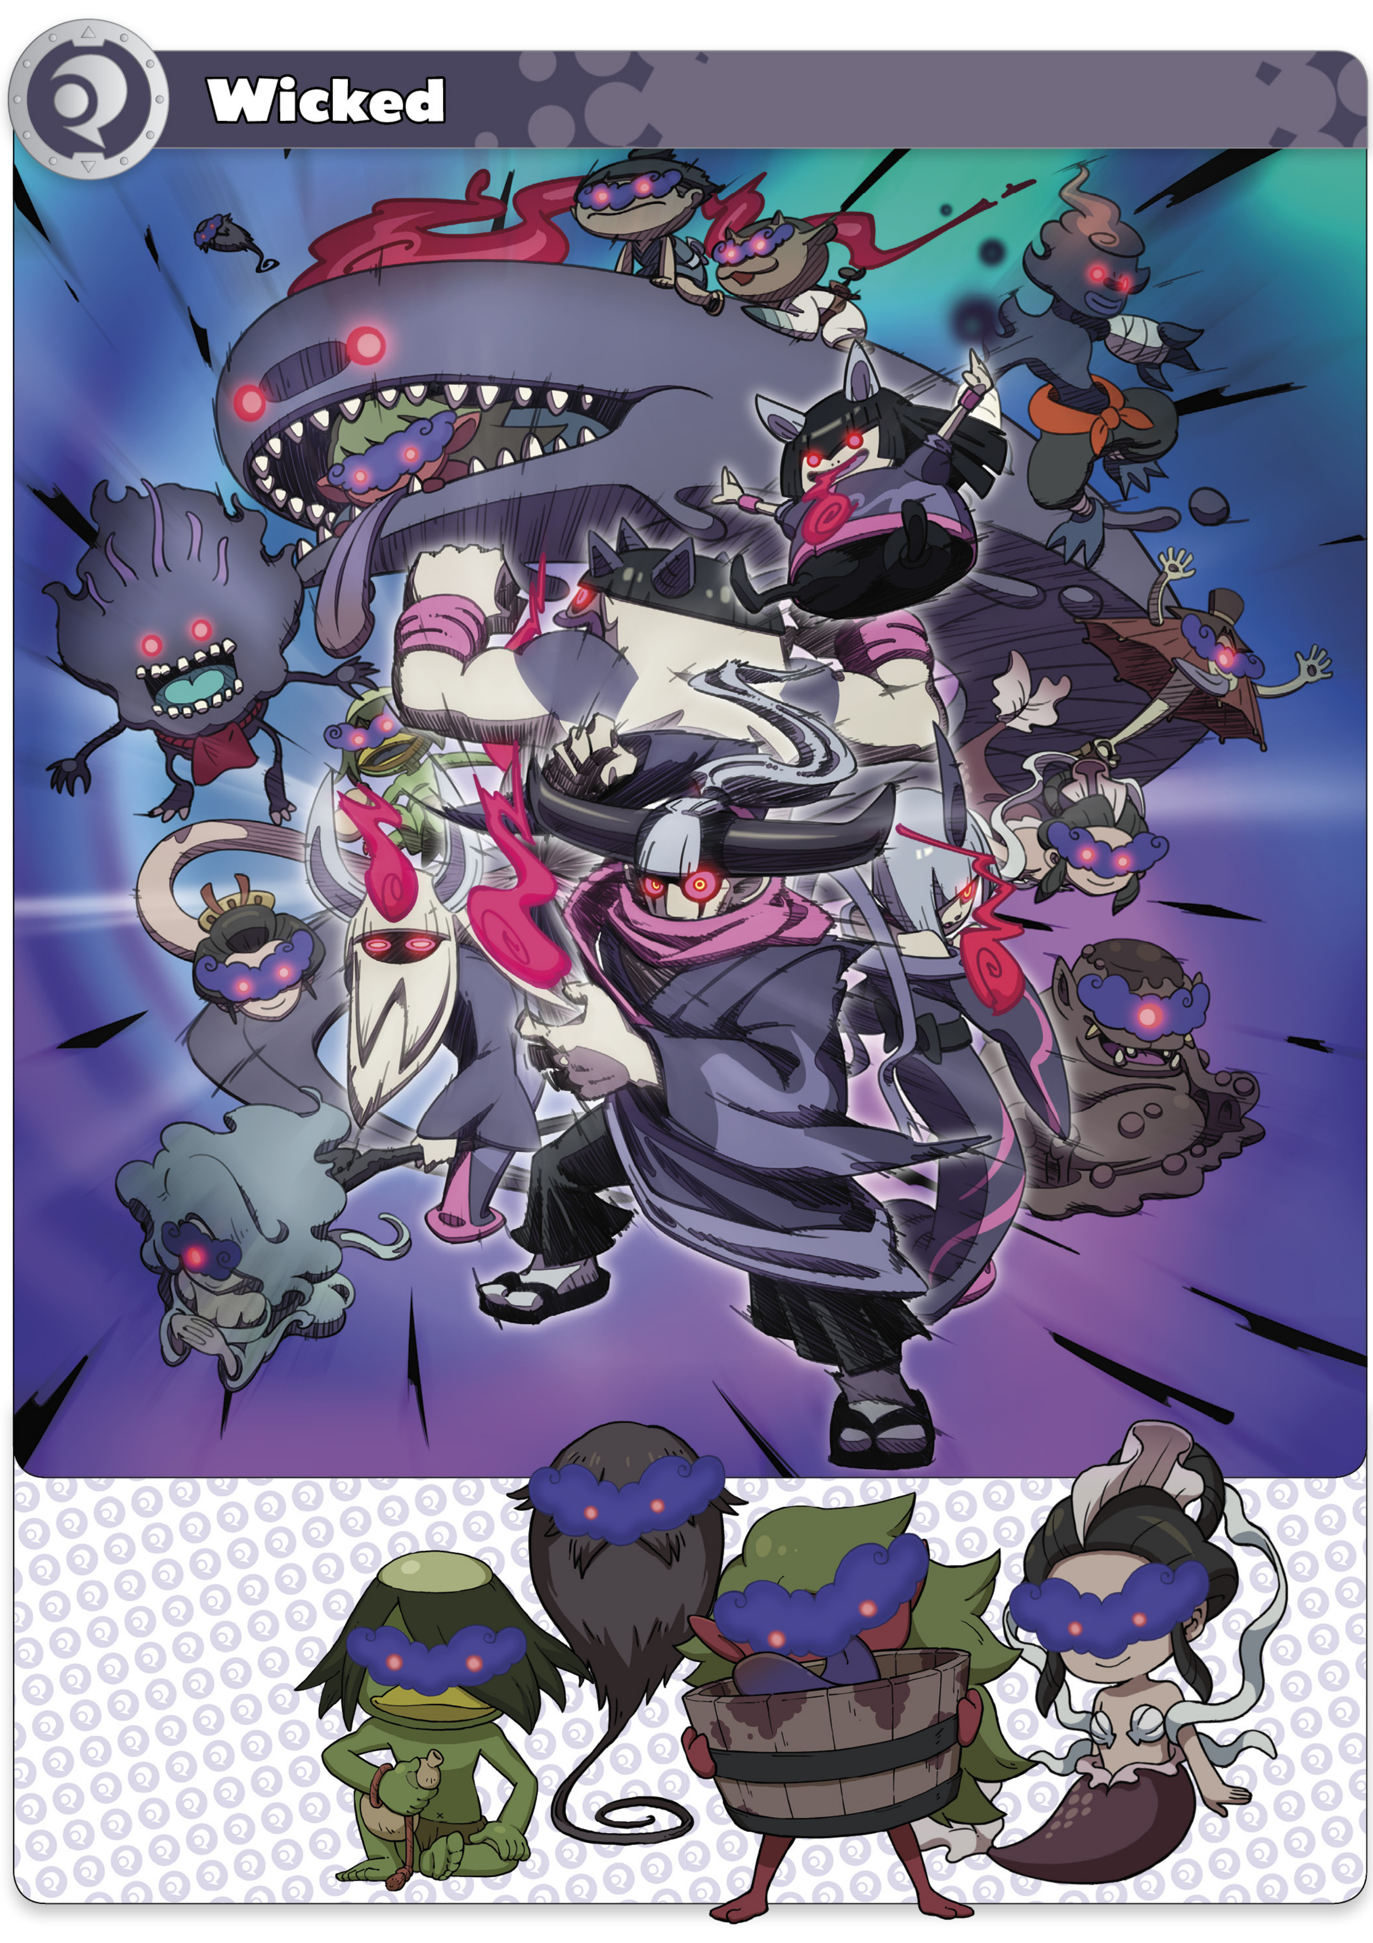
An odd, creepy-looking tribe, they are masters of inflicting status ailments.

Slippery

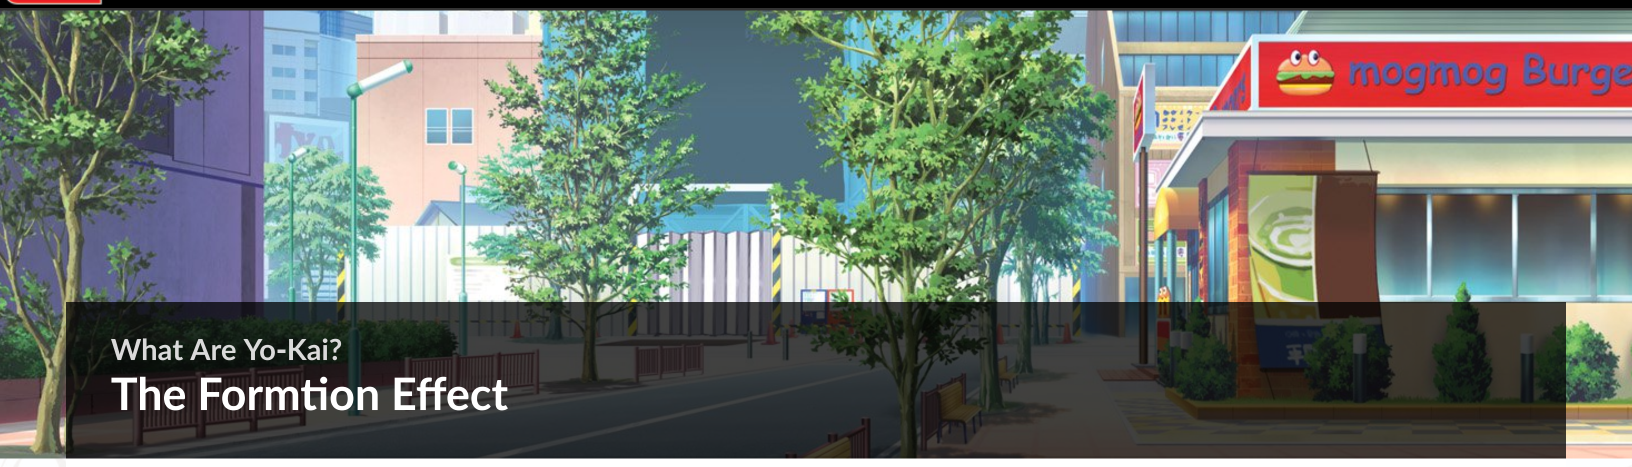


These independent, free-thinking spirits have slimy snakelike features. It’s hard to grab these guys!

Wicked



Beware these vile, evil creatures! Yo-kai from other tribes can become Wicked when infused with Wicked Parts.



The Formtion Effect

TRIBAL COUSINS FIGHT BETTER TOGETHER!

If you place two Yo-kai of the same tribe next to each other in your Yo-kai Wheel's front line, the pairing can trigger a stat-boosting Formation Effect. Line up three tribemates across the top for an even more powerful effect!

Tribe	Formation Effect
Brave	STR up
Mysterious	SPR up
Tough	DEF up
Charming	SPD up
Heartful	Healing up
Shady	Inspirit up
Eerie	Status effect up
Slippery	Harder to Inspirit
Wicked	N/A

No Benefit When Down

Even if members of the same Yo-kai tribe are lined up onscreen, the Formation Effect isn't triggered unless they're actually participating in battle. The effect is lost if tribal cousins are down.

The Main Characters

NATE

Full Name:

Nathan Adams

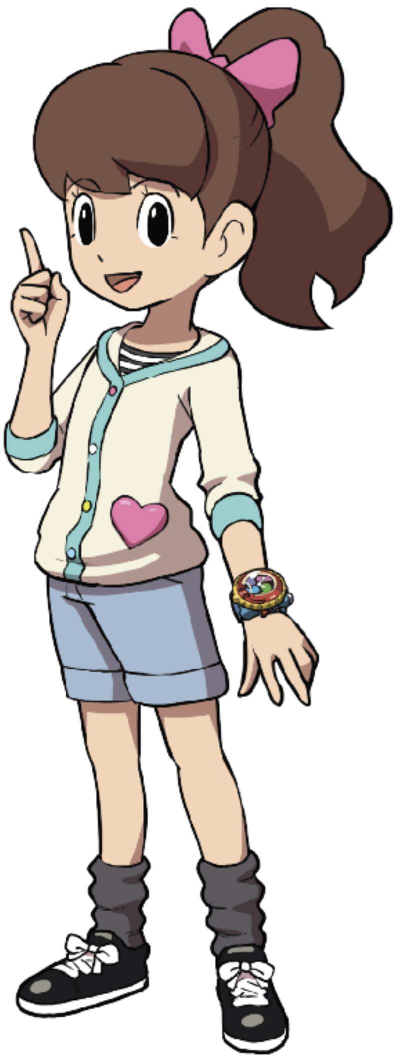
A typical fifth-grader. Nate obtains the Yo-kai Watch from the Crank-a-kai machine he finds on Mt. Wildwood while hunting for insects.

KATIE

Full Name:

Katie Forester

Nate's classmate, a fifth-grade girl with a knack for sensing the supernatural. Katie obtains her Yo-kai Watch on Mt. Wildwood as well.



Nate or Katie? It's Your Choice!

At the game's start, pick which character you want to play as—Nate Adams or Katie Forester. The story's the same regardless of your selection. The only difference is the location of your home and some of the dialog during events. Whichever character you don't choose, however, appears in-game as your classmate.

You can also change your character's name to whatever you like!

Other Characters

THE CLASSMATES

BEAR

Full Name: Barnaby Bernstein

Somewhat of a bully...but he has a sentimental streak, and really loves his family. A good guy deep down, maybe?

EDDIE

Full Name: Edward Archer

A skeptic who doesn't believe in Yo-kai or the supernatural. Also, Bear's friend.

THE ADULTS

NATE'S MOM

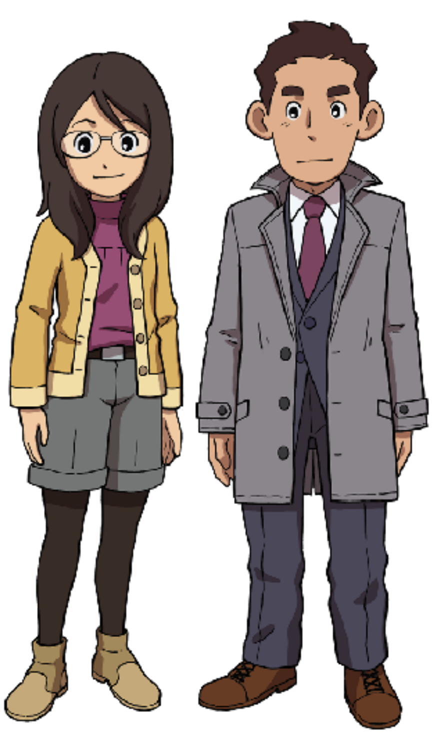
Full Name: Lily Adams

A steady, loving mom who breezily handles her household duties.

NATE'S DAD

Full Name: Aaron Adams

The family's breadwinner, although he sometimes acts a little goofy.



NATE'S GRANDMOTHER

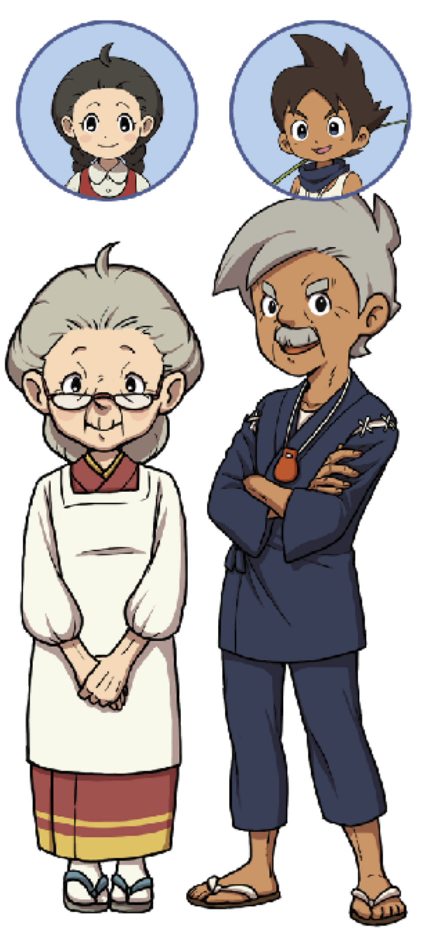
Full Name: Lucy Adams

Strange things are happening in her quiet town of Harrisville. Nate and friends offer to help... which opens up a whole new chapter of Yo-kai mystery.

NATE'S GRANDFATHER

Full Name: Nathaniel Adams

Nathaniel sure looks a lot like Nate, doesn't he? Sixty years in the past, this determined young boy aspires to greatness as he battles his Wicked Yo-kai enemies. He really needs a sidekick, though.



KATIE'S MOM

Full Name: Rebecca Forester

A kind-hearted mom who takes life at her own pace.

KATIE'S DAD

Full Name: Jason Forester

A dedicated worker. He works with Nate's dad.

KATIE'S GRANDMOTHER

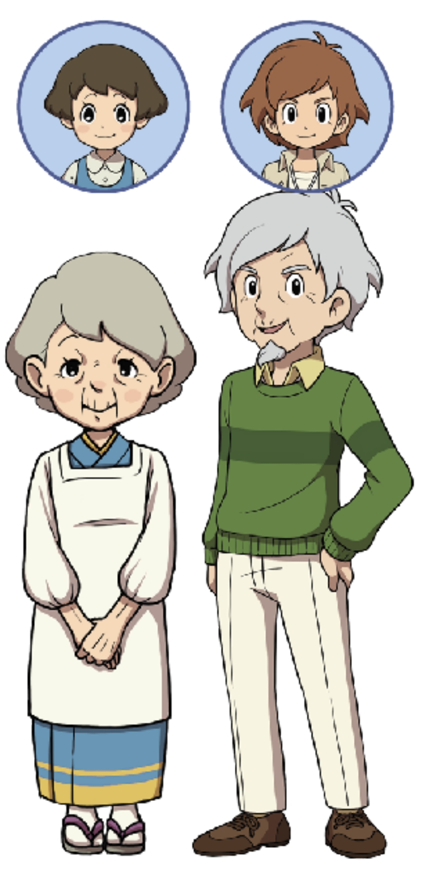
Full Name: Kelly Forester

Kelly lives in Harrisville and loves her granddaughter dearly. She really needs help when strange things start to happen!

KATIE'S GRANDFATHER

Full Name: Kenny Forester

Sixty years ago, this mysterious kid was Kelly's best friend, fighting Wicked Yo-kai with surprising ability. Kenny bears a strong resemblance to Katie.



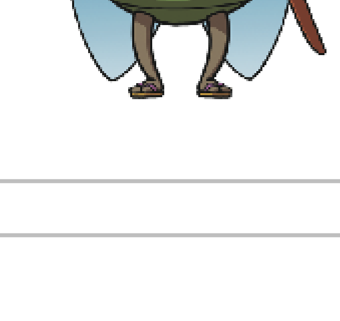
YOUR YO-KAI COMPANIONS

WHISPER

This self-styled "Yo-kai butler" delivers the Yo-kai Watch to your main character.

CADIN

A cicada Yo-kai spirit caught by the main character.



DISMARELDA

A moody Yo-kai who darkens the air around her, triggering things like family arguments.

HOVERNYAN

This floating feline Yo-kai sure looks like a superhero. Can he help you vanquish the evil that lurks in Springdale?

JIBANYAN

The spirit of a cat hit by a car. Currently in training to defeat his automotive nemesis.

Evolving and Fusing New Yo-kai

Introduction

The most typical way to power-up your Yo-kai friends is to put them in battle and raise their levels. But simply leveling up your Yo-kai allies won't always produce the strongest Yo-kai teams available.

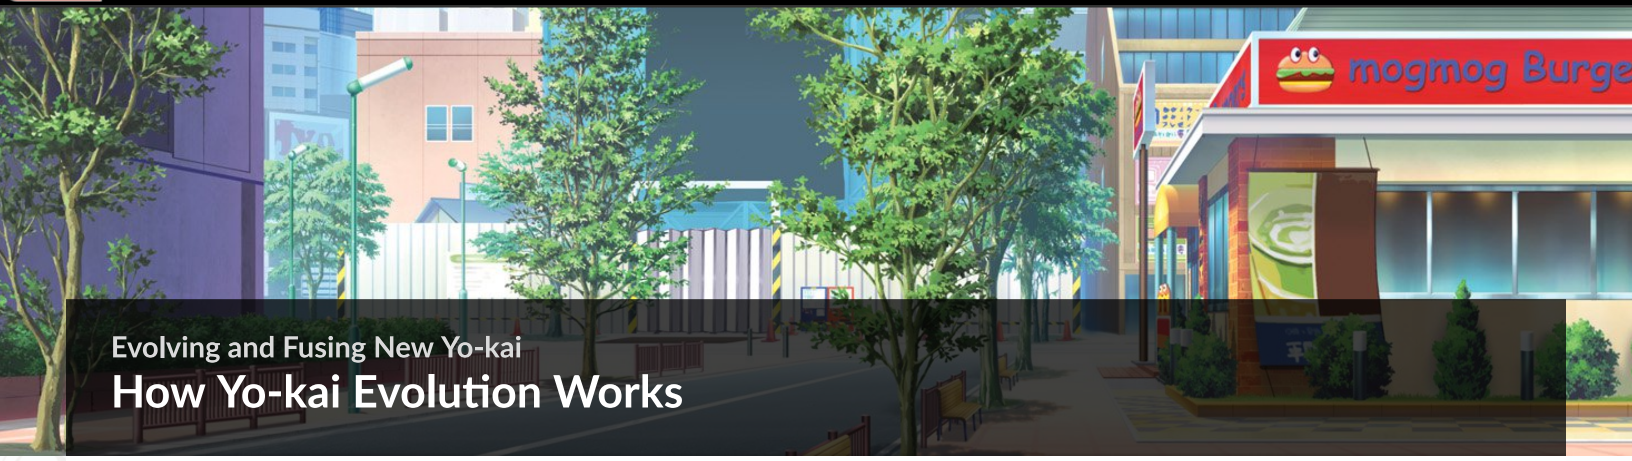
Some Yo-kai can be obtained only via evolution or fusion. They're amongst the rarest and most powerful ones out there!

In some cases, you can evolve or fuse Yo-kai to create new, more powerful beings. Both processes change how a Yo-kai looks, producing a more formidable presence than ever!



Evolving and Fusing New Yo-kai

How Yo-kai Evolution Works

Certain special Yo-kai in the game can “evolve”—that is, they can transform themselves into more powerful versions with new names. If a Yo-kai can evolve, it automatically makes the transformation once it hits a certain level, unless you choose to cancel it.

The exact level number required for evolution depends on the type of Yo-kai. Some Yo-kai evolve early on, while others need to be leveled up fairly high before they evolve. Typically, the later a Yo-kai is able to evolve, the more powerful its evolved form will be.

You can choose to cancel a Yo-kai’s evolution if you like, leaving it as is. If you cancel, you’ll get another chance to evolve that Yo-kai when it reaches its next level.

Evolving and Fusing New Yo-kai

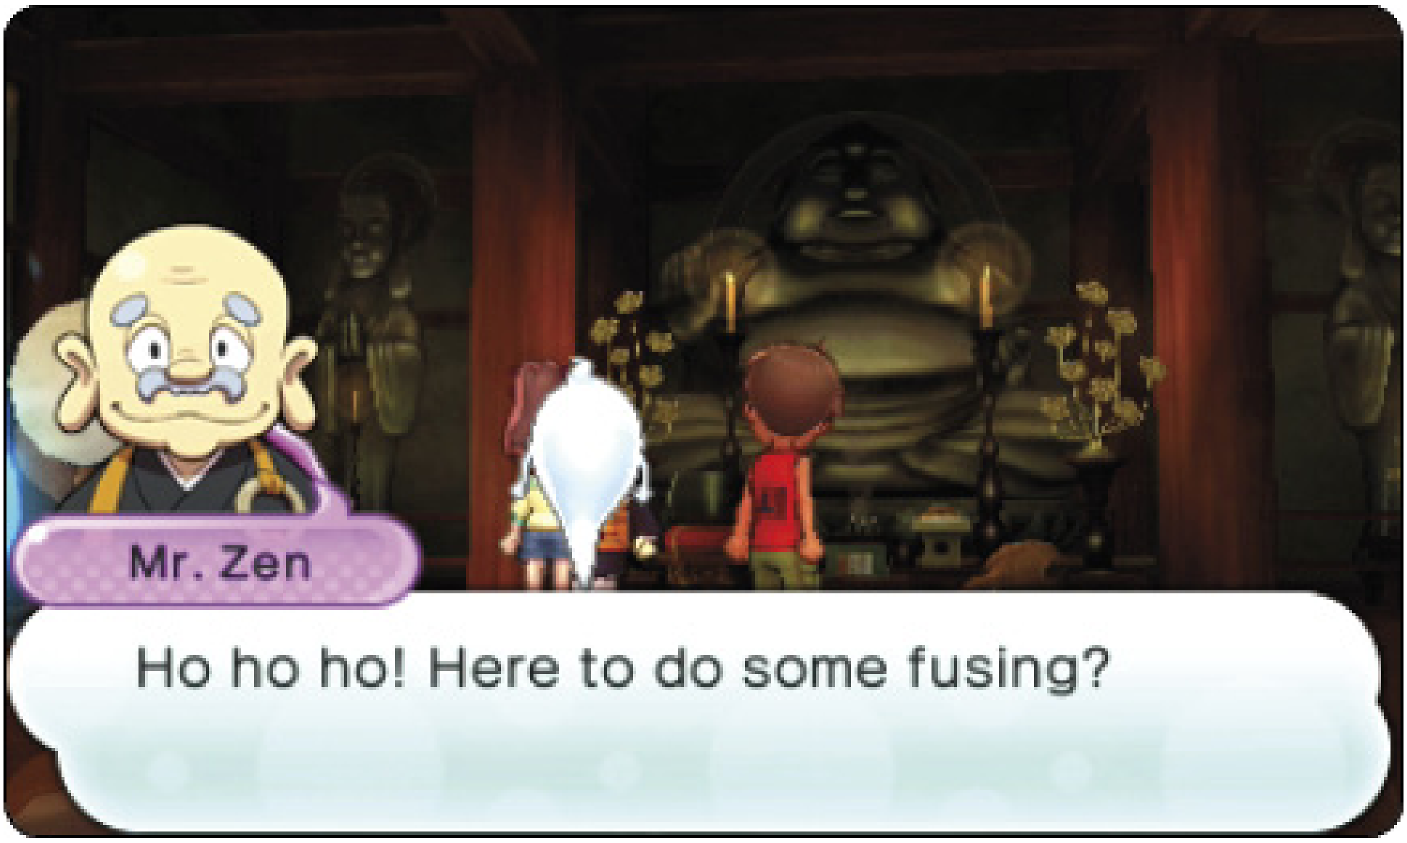
How Yo-kai Fusion Works

The other way to create new, more powerful Yo-kai is to visit Mr. Zen at the Shoten Temple. There, he can either fuse two Yo-kai or fuse a Yo-kai with an item. Once you've finished combining items or Yo-kai, the recipe is recorded. This new Yo-kai immediately becomes your friend!



Mr. Zen

Ho ho ho! Here to do some fusing?

Visit Mr. Zen at the Shoten Temple in Blossom Heights to try fusing new Yo-kai.

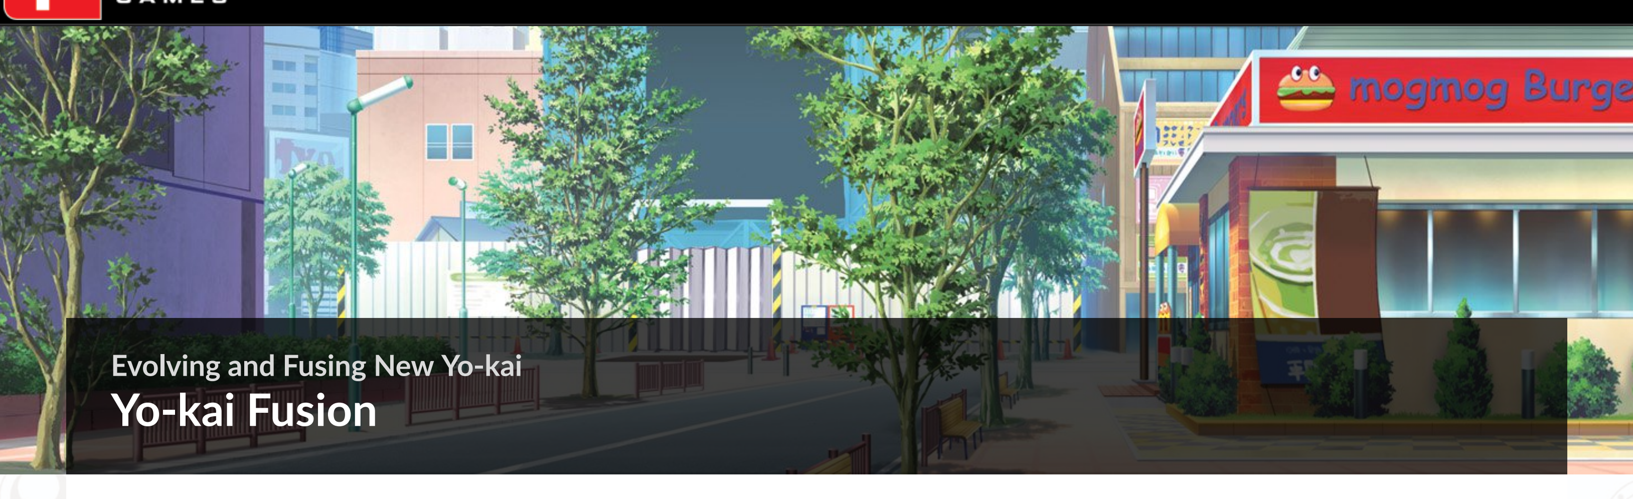
Item Fusion

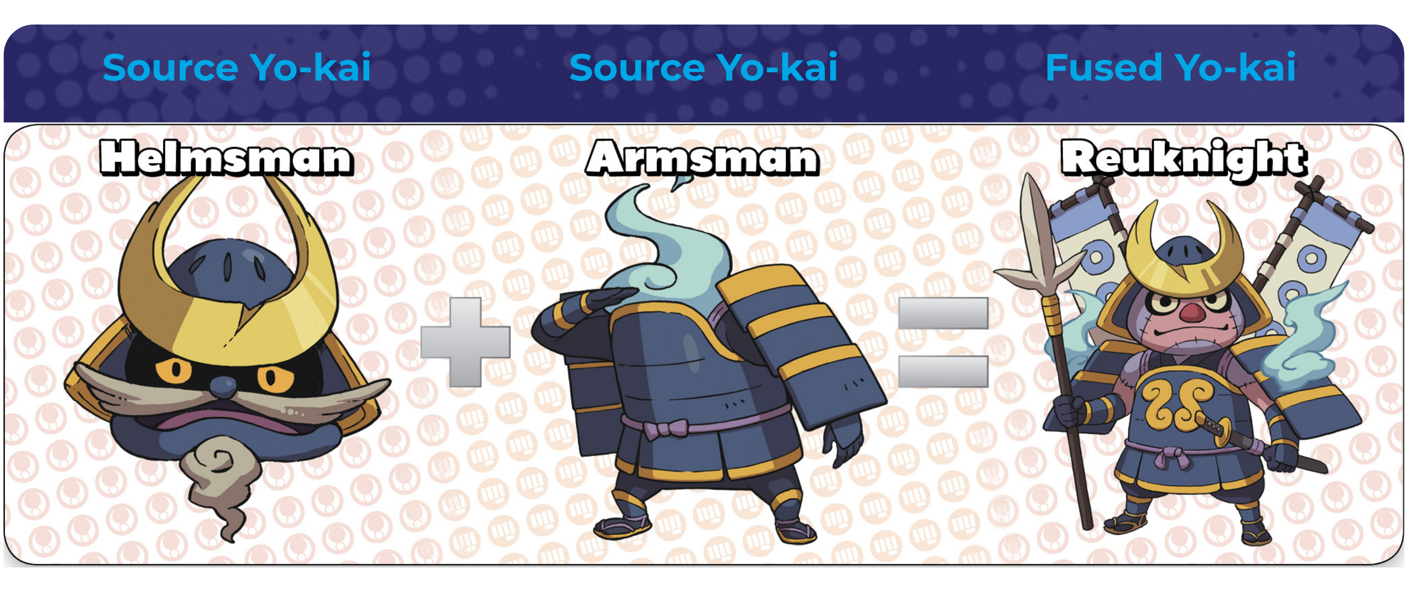
Two items can also be combined with each other to create a new item. Mr. Zen at the Shoten Temple can handle Yo-kai and item fusion for you.

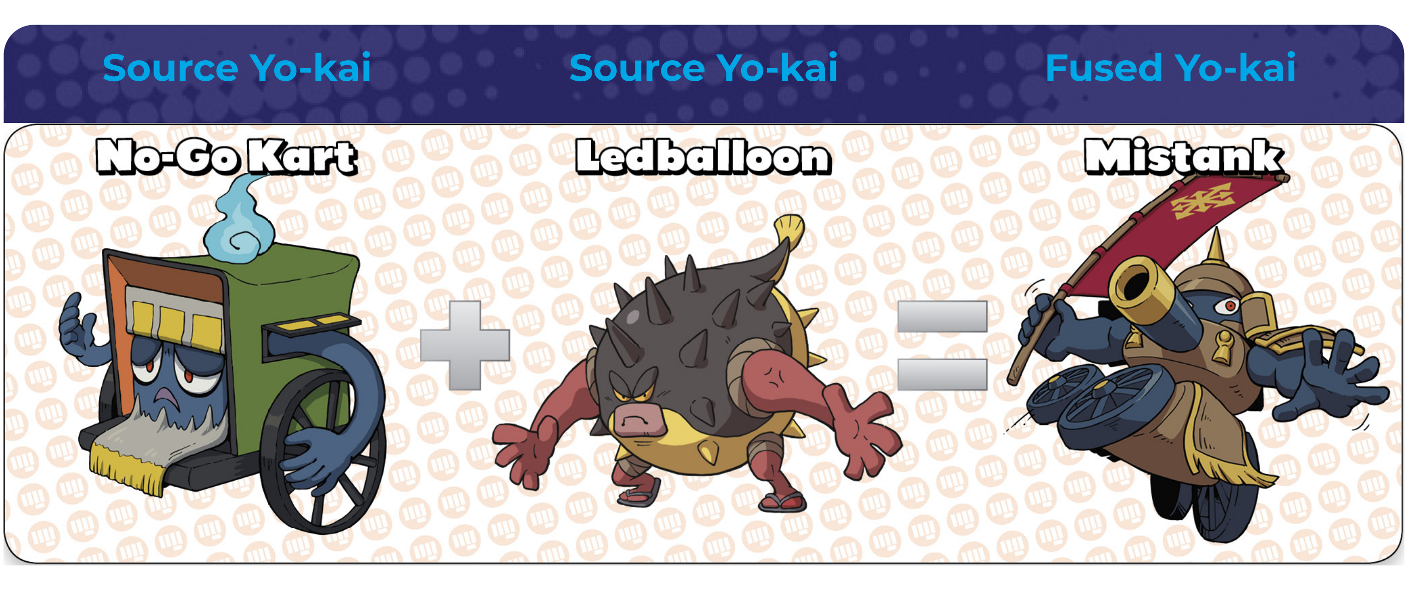
FUSING TWO YO-KAI

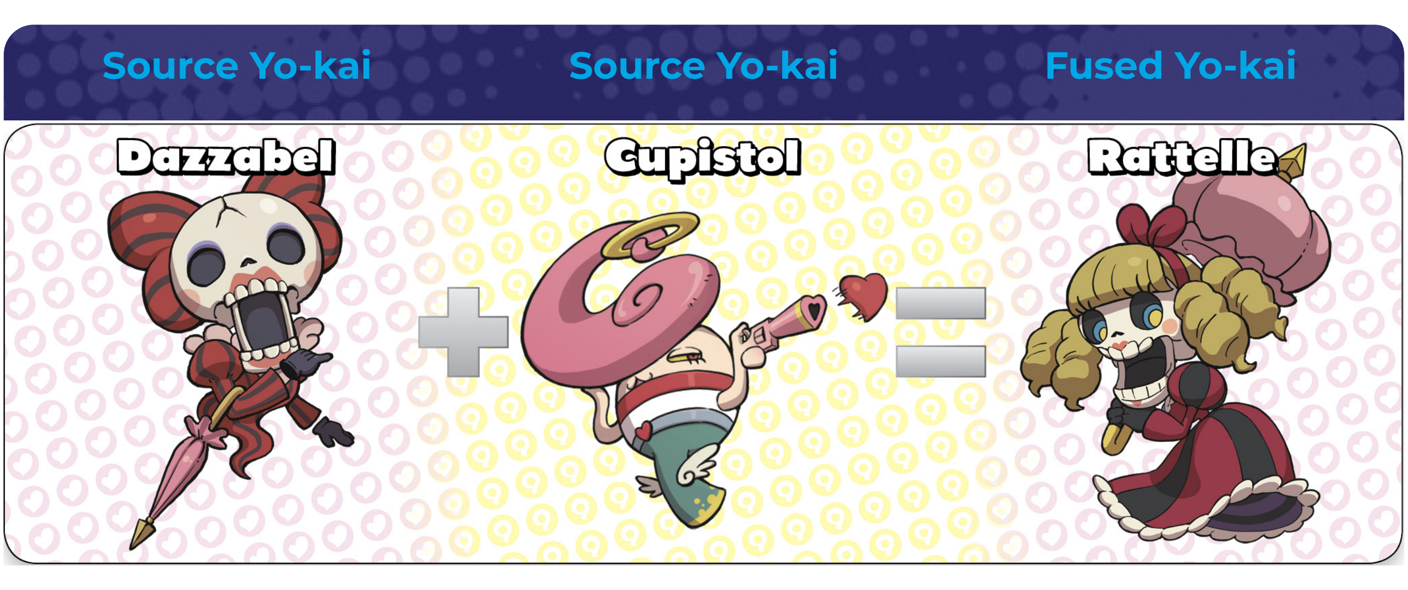
A number of new Yo-kai can be created by fusing two "source" Yo-kai. If you decide to fuse two source Yo-kai, the resulting entity combines the traits of its progenitors. (Note that one Yo-kai created by this process, Castelius I, is formed by combining two copies of the same source Yo-kai, Castelius II.)

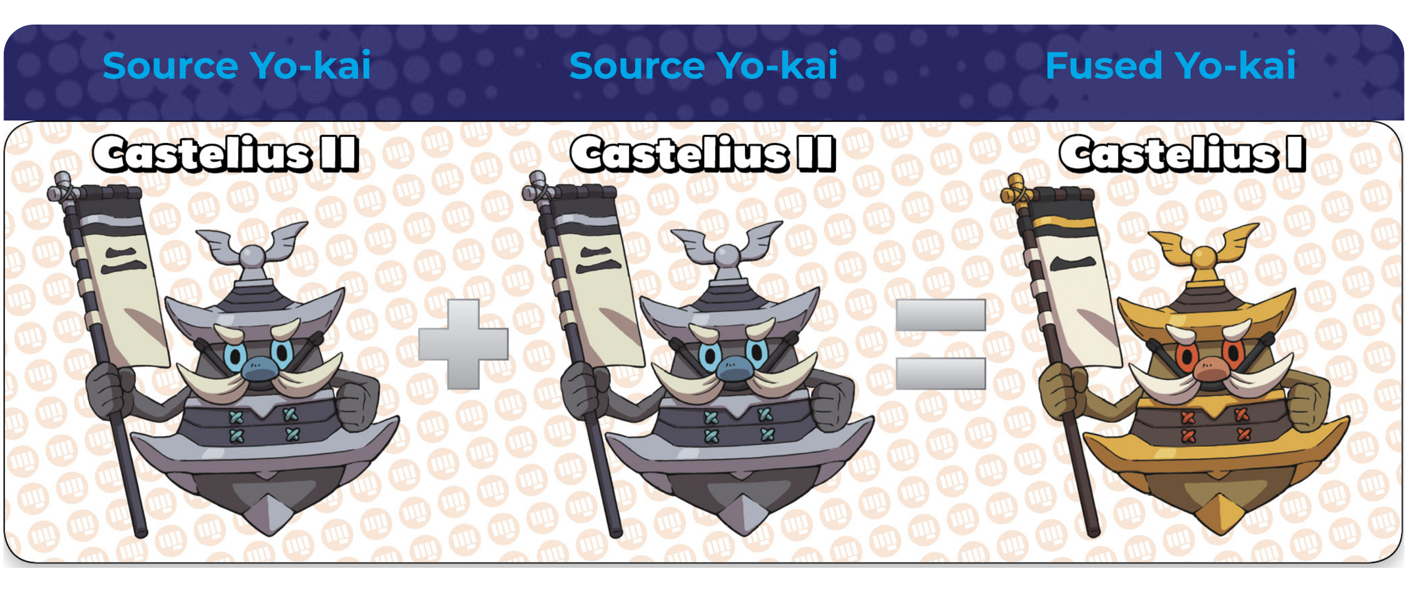
Yo-kai Fusion

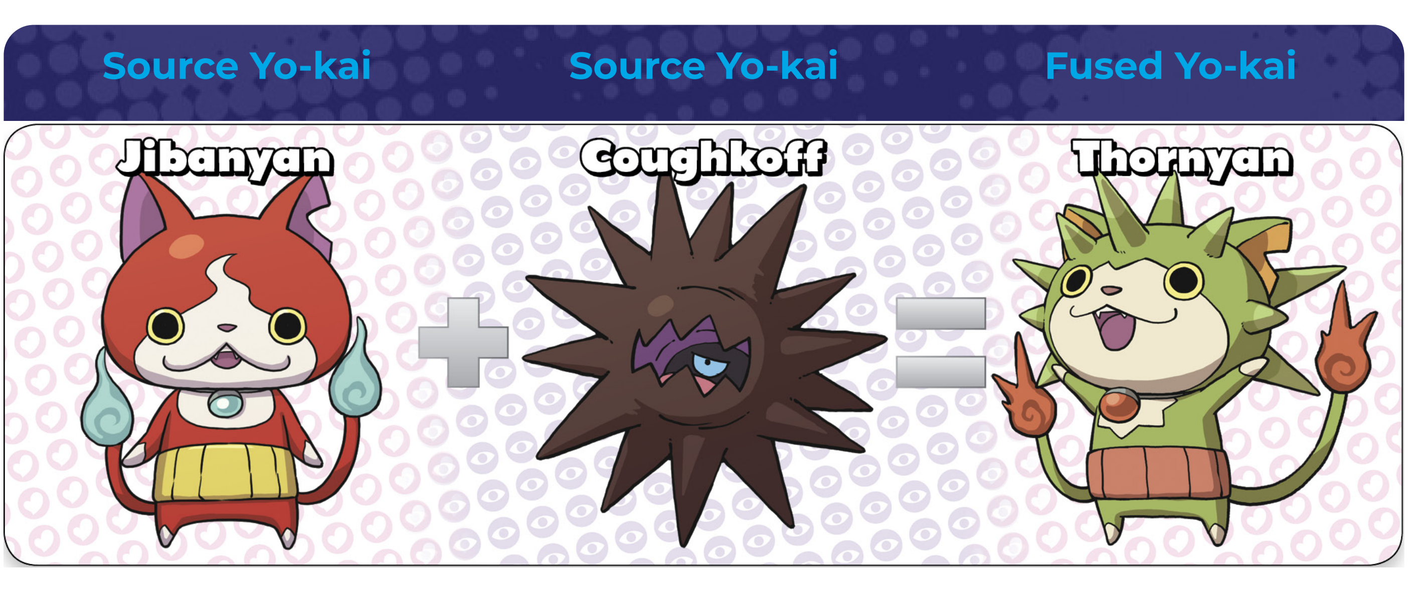


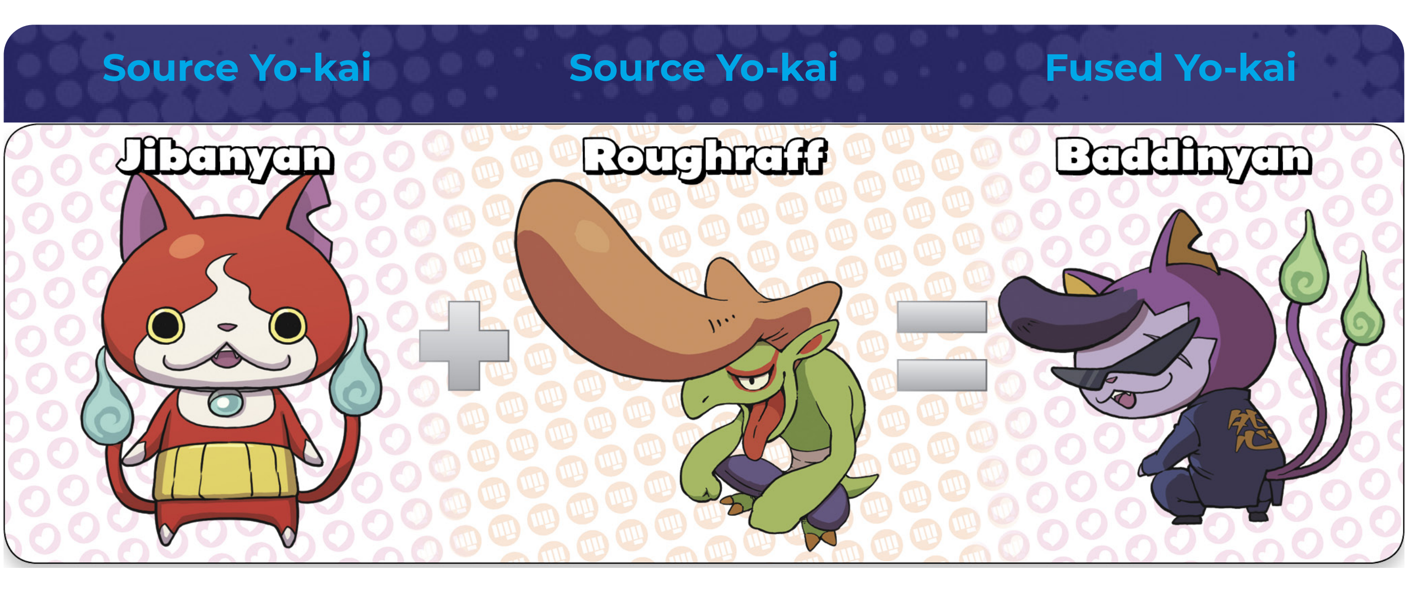


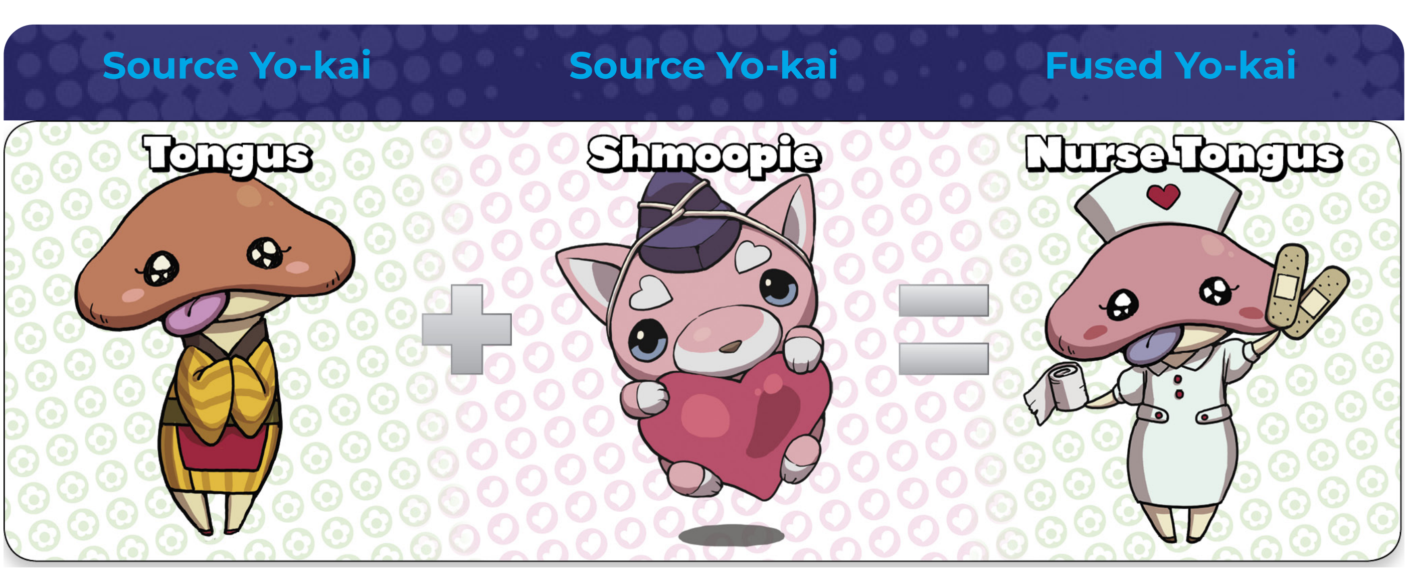


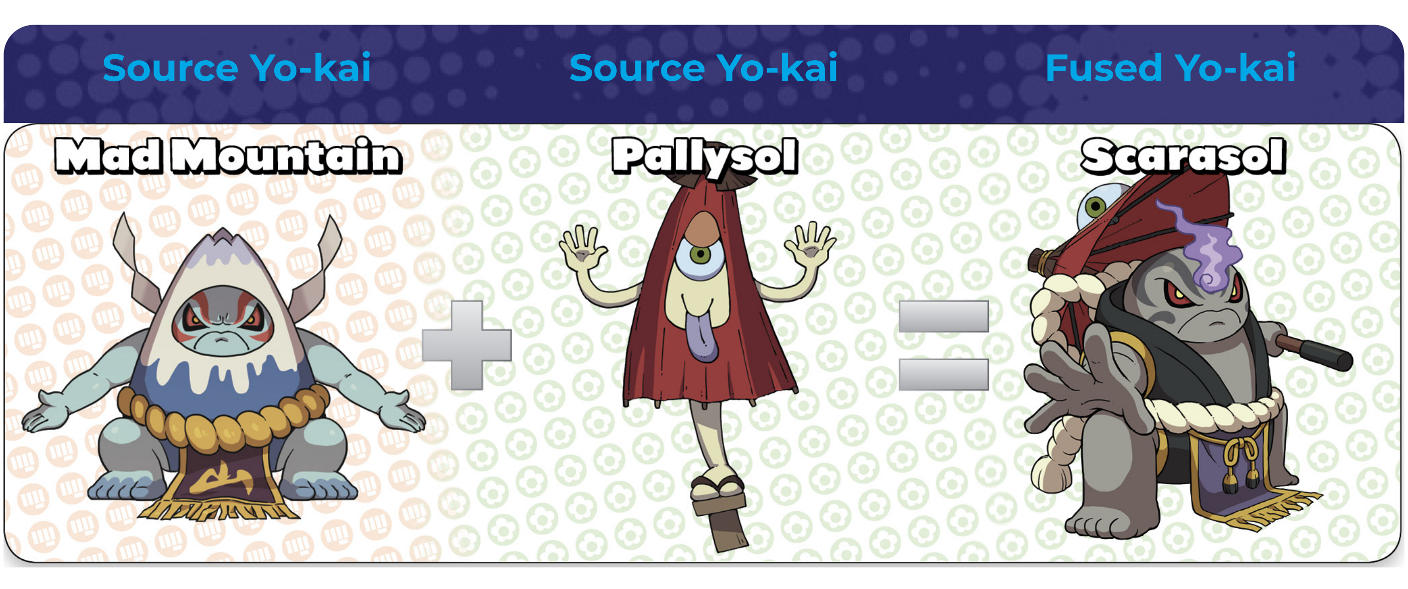


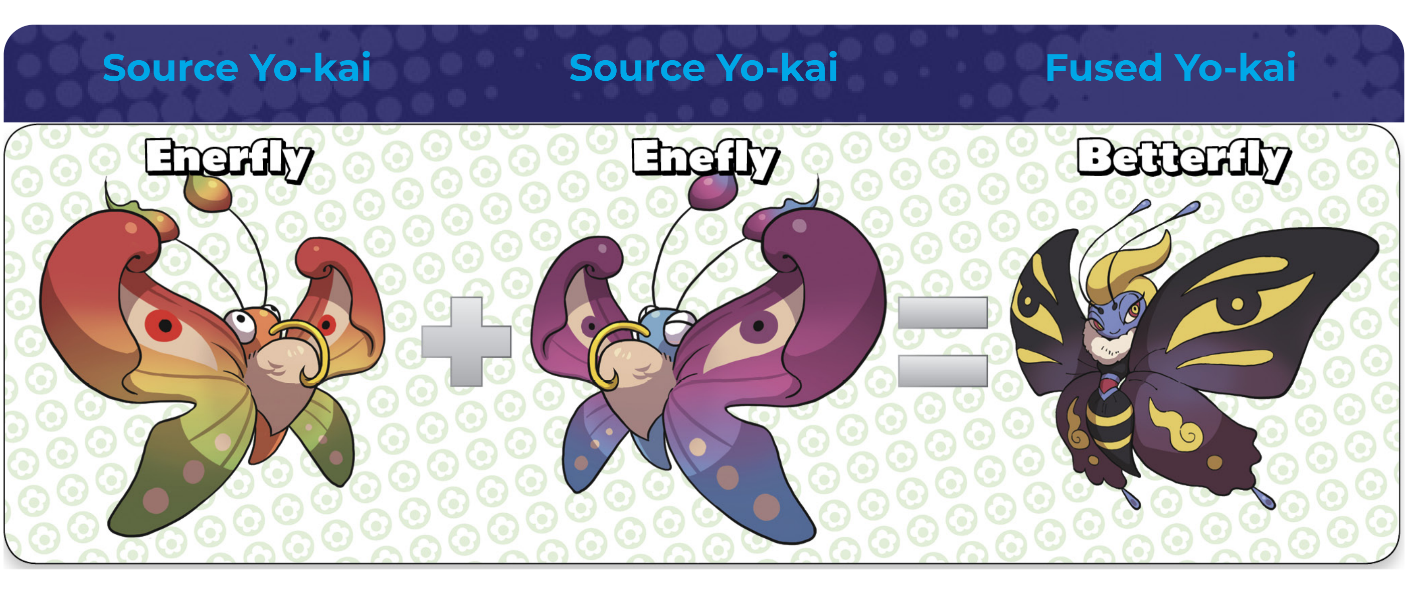


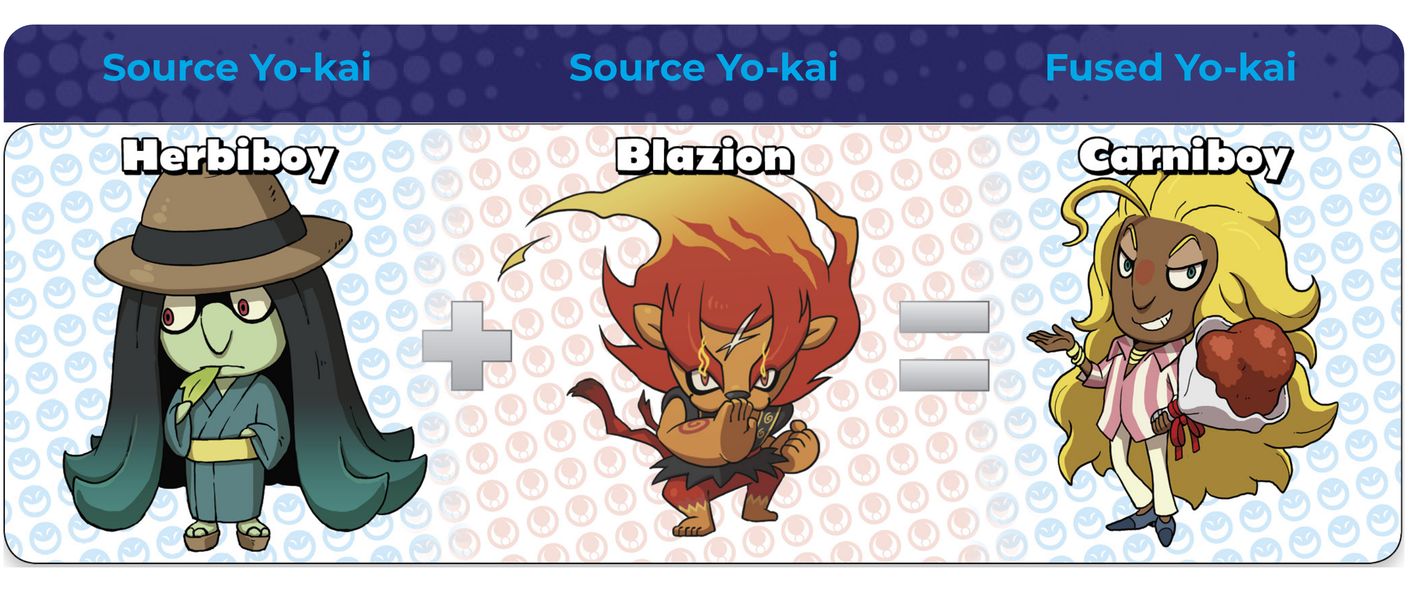


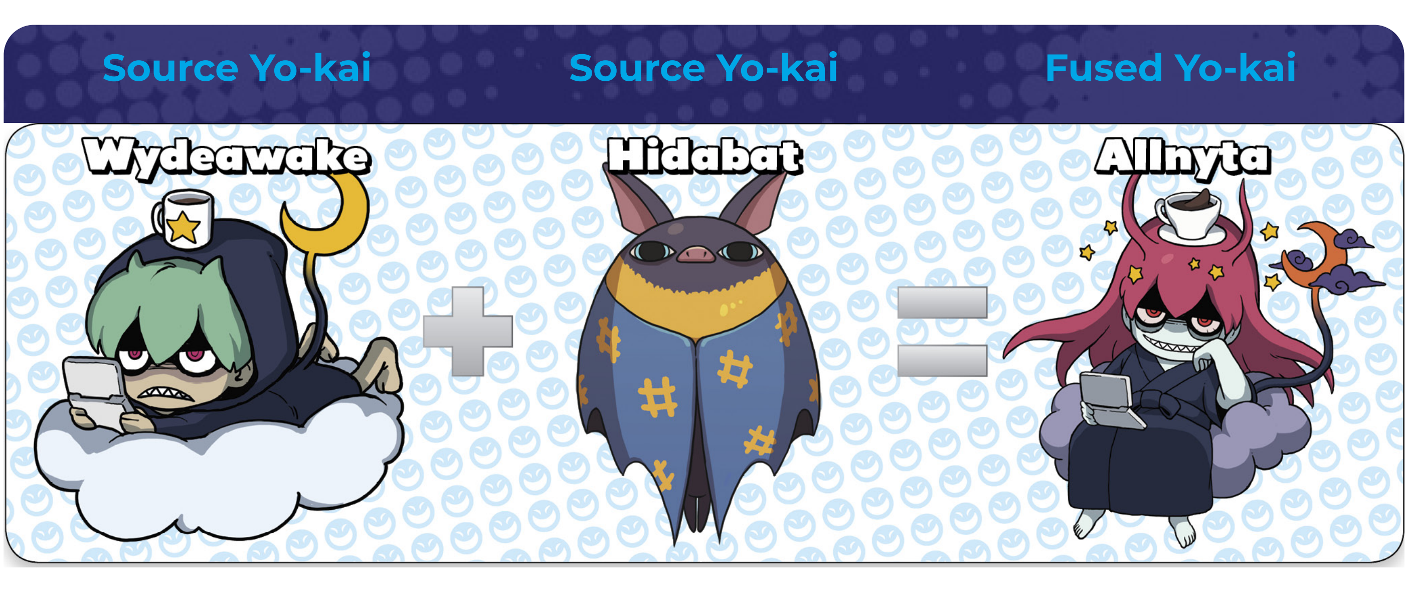


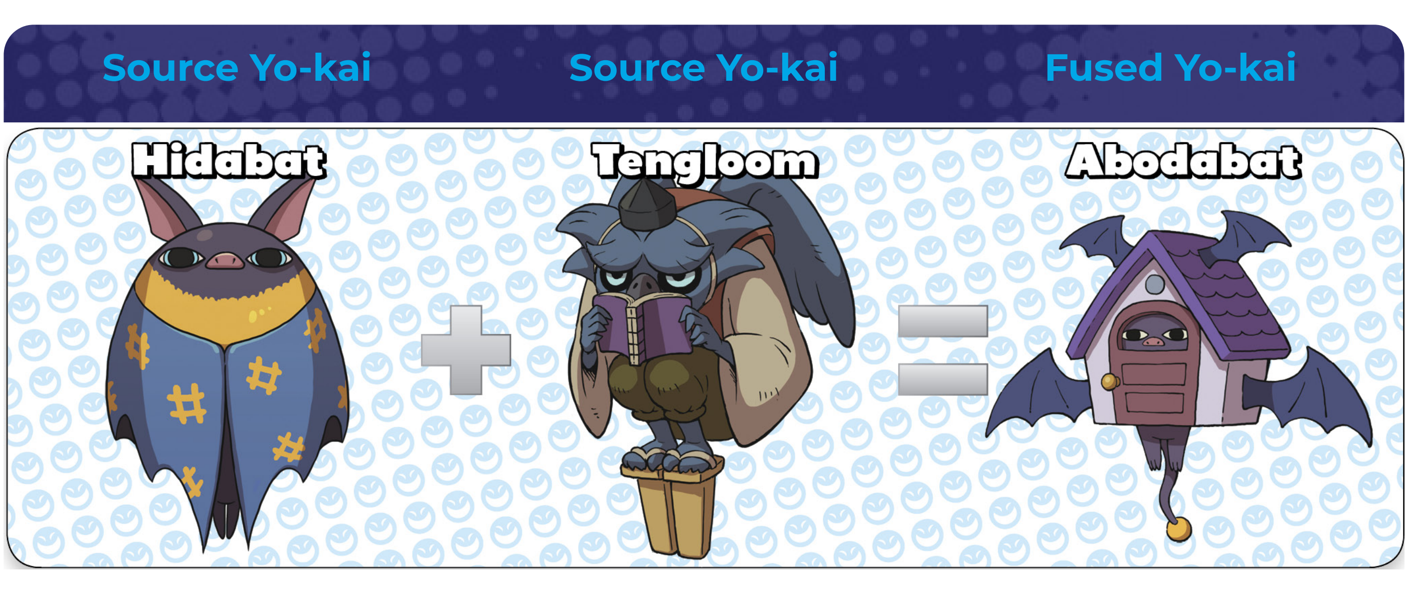


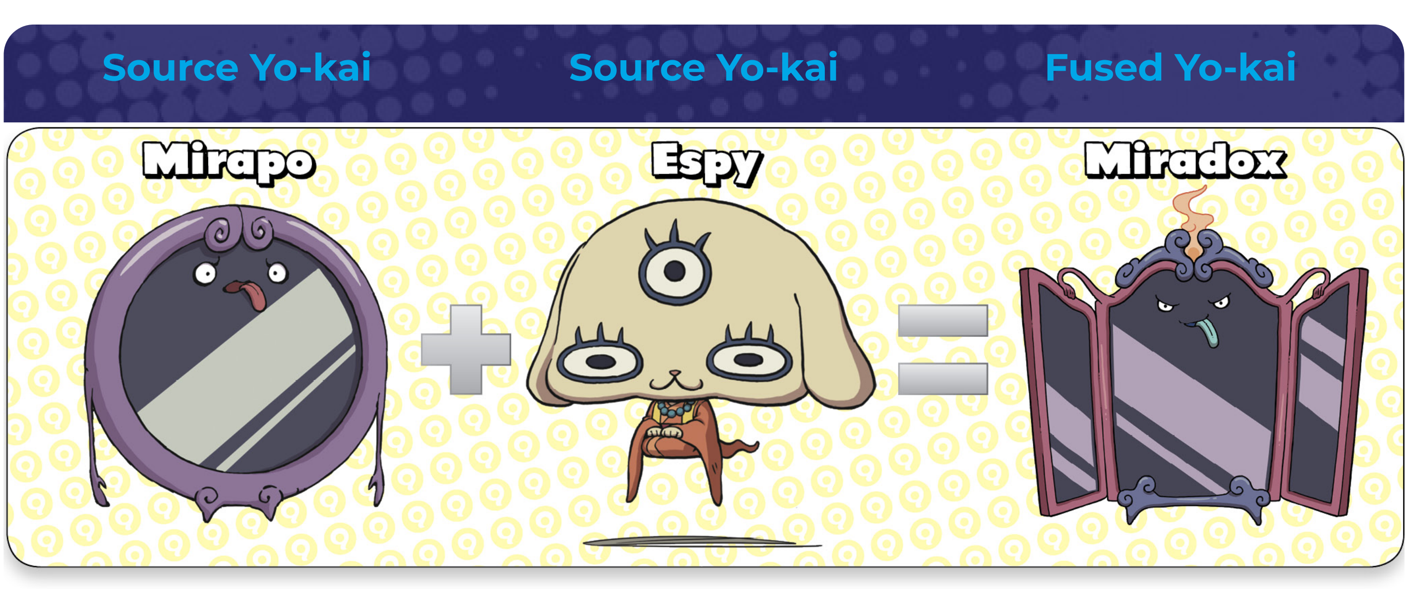


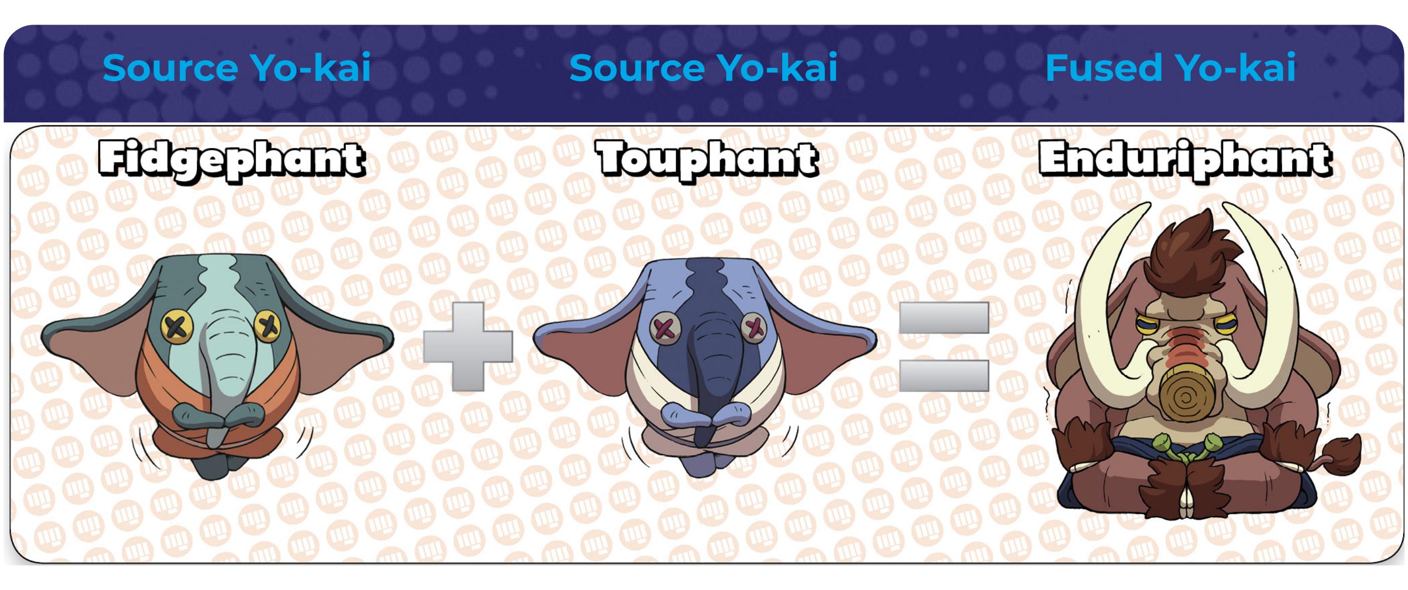


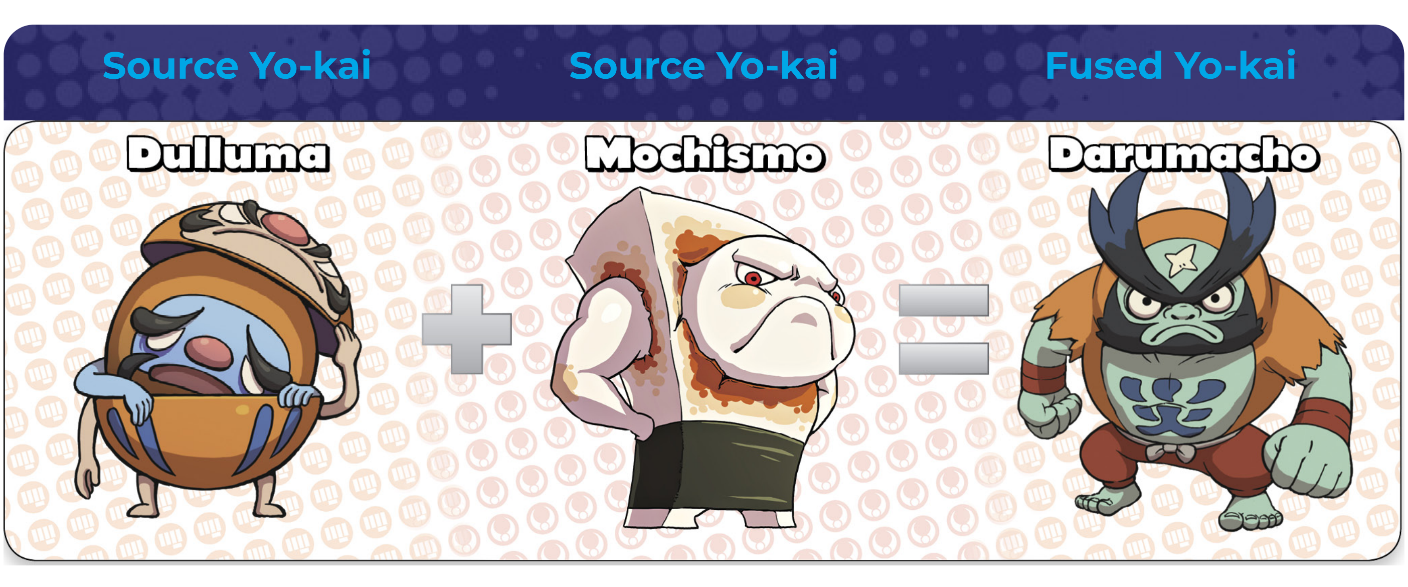


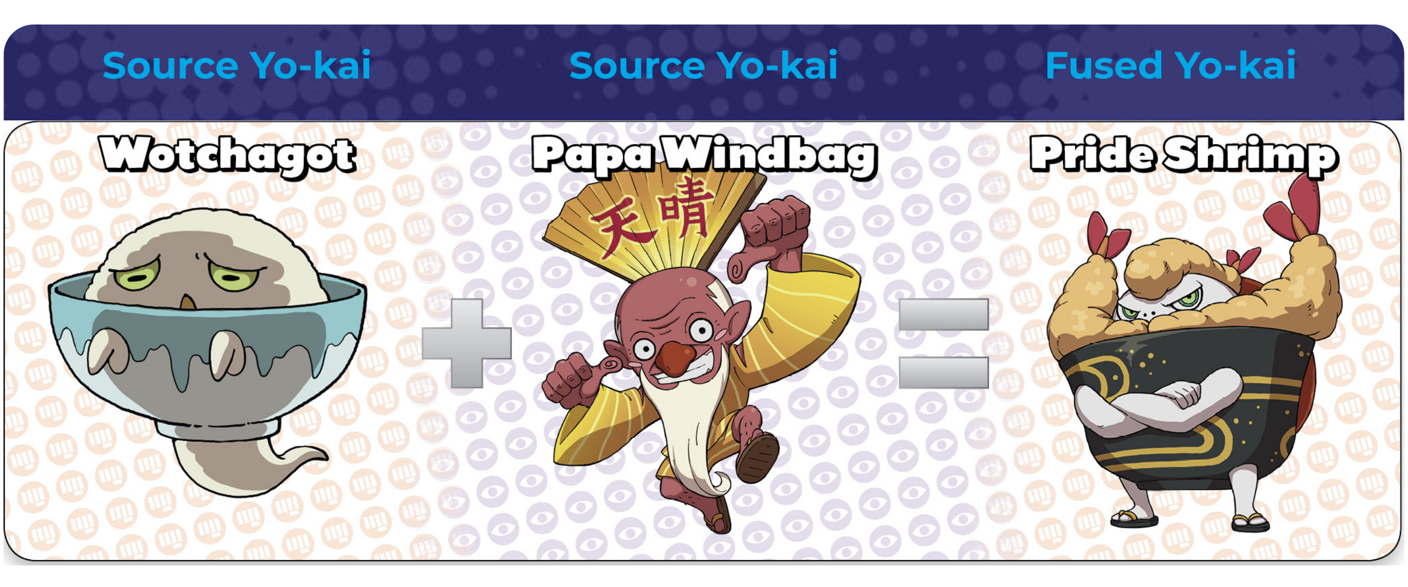


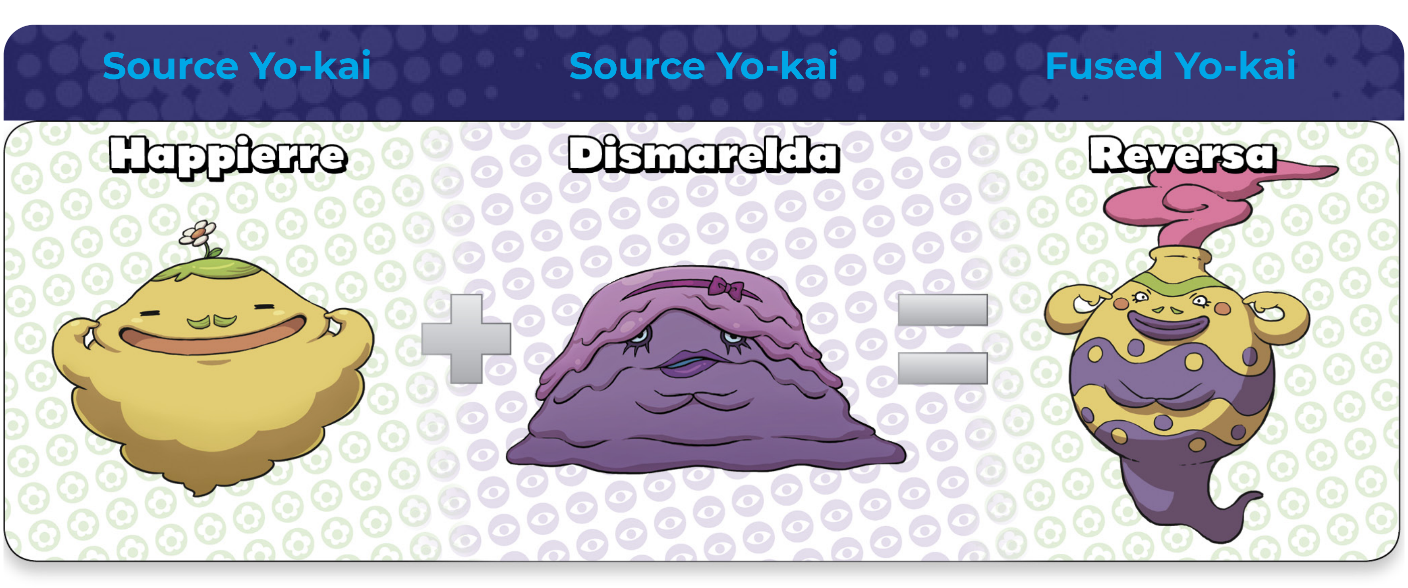


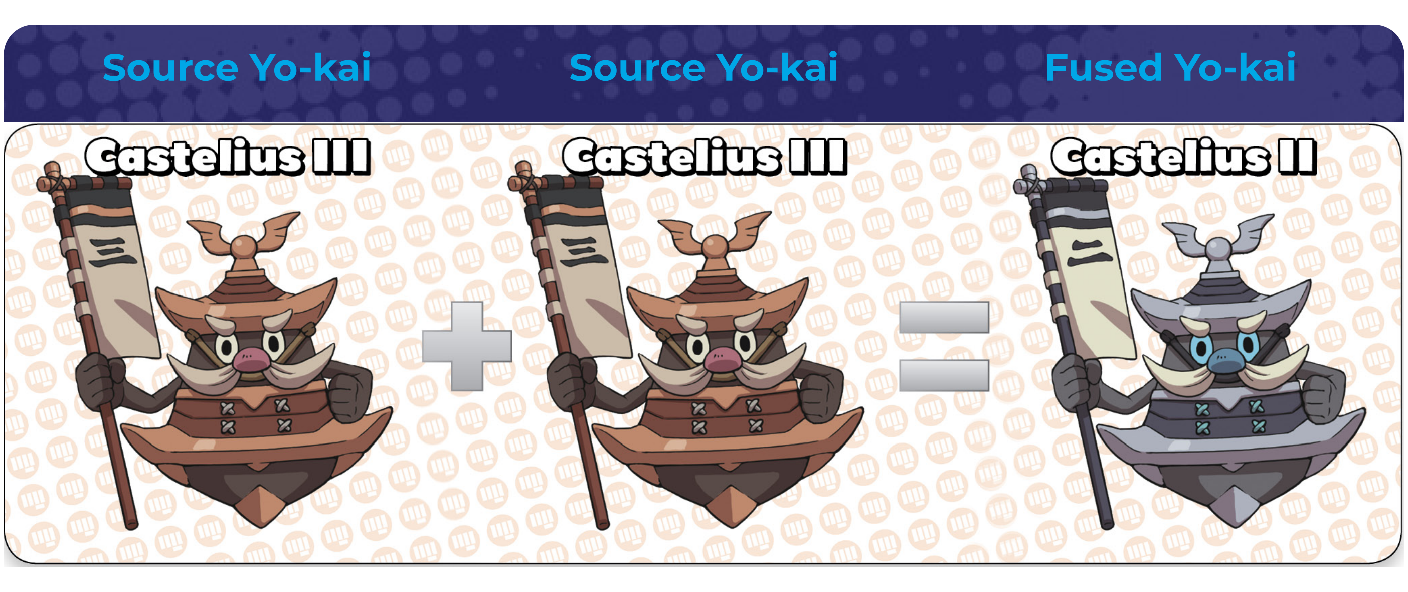


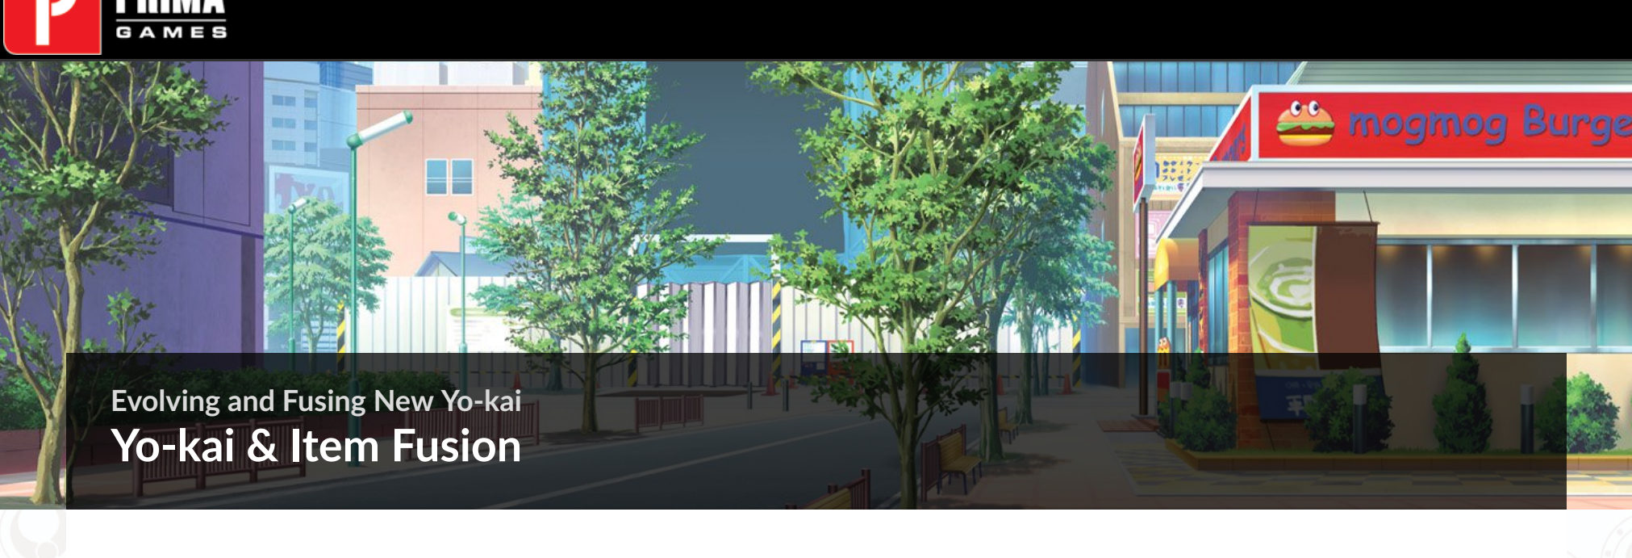












Evolving and Fusing New Yo-kai

Yo-kai & Item Fusion

FUSING A YO-KAI WITH AN ITEM

Thirty rare Yo-kai can be created if you fuse a specific Yo-kai with a special item. For example: Combine the Yo-kai named Chansin with the Legendary Blade to create the powerful Sheen!

POST-FUSION YO-KAI LEVELS

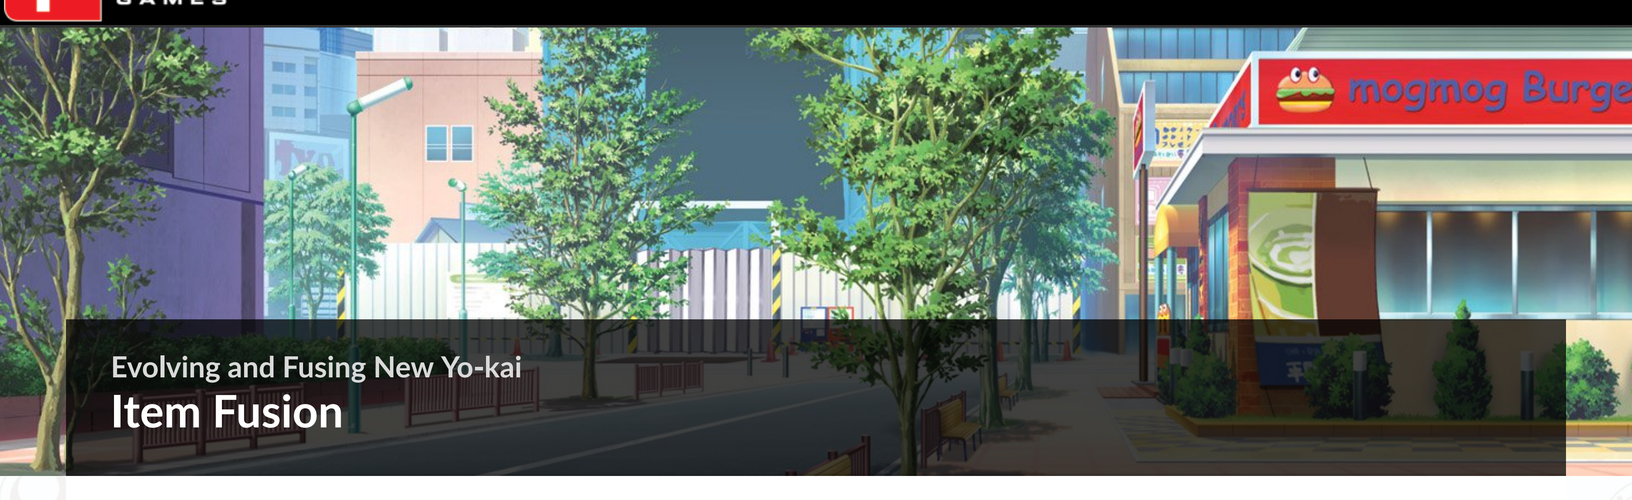
The level of any newly fused Yo-kai is based on the levels of its source Yo-kai. Here are the simple formulas:

WHEN FUSING TWO YO-KAI

Level of Fused Yo-kai = Sum of the levels of the two source Yo-kai divided by 2

WHEN FUSING YO-KAI WITH ITEM

Level of Fused Yo-kai = Same as source Yo-kai



Item Fusion

FUSING TWO ITEMS

Mr. Zen can also fuse two items to conjure up a new piece of equipment. The Venoct Gauntlet and Heavenly Sash are two rare and powerful pieces of equipment available only through this fusion process.

⑧ GROWTH SPEED

There are six different grades of Yo-kai growth: Super Fast, Fast, Normal, Slow, Super Slow, and Ultra Slow.

⑨ EVOLUTION

Indicates whether or not a Yo-kai can evolve. Those that can have a O mark, and those that can't have an X mark.

⑩ TYPE

This indicates what type of actions a Yo-kai is likely to take in battle: Attack, Defense, Healing, Support, Sabotage, or Technique.

⑪ RESISTANCE

The Yo-kai's resistance to being Inspirited in battle. Graded on five levels, from A to E. (E indicates the most easily Inspirited.)

⑫ LAZINESS

This indicates how likely the Yo-kai is to loaf (i.e., skip its turn) in battle.

⑬ LIKES/DISLIKES

Type of food that the Yo-kai likes or dislikes to eat during battles. Providing favorite foods (and avoiding snacks the creature hates) makes the Yo-kai easier to befriend after it is defeated.

⑭ EASINESS TO BEFRIEND

The more stars, the easier it is to befriend the Yo-kai after you defeat it. Zero stars means the Yo-kai cannot be befriended after battle.

⑮ BASIC ABILITY

This table grades the Yo-kai's five basic stats on a scale from A to E (where A is best).

HP is Hit Points

STR is Attack strength

SPR is Spirit strength

DEF is Defense power

SPD is Speed

⑯ BATTLE ACTIONS

The different actions the Yo-kai can take in battle are listed here. We also include numbers to indicate the strength of the Yo-kai's Inspirit and Soultimate Move, ranked from 1 to 4 (4 is the strongest).

⑰ LOCATION

The primary places where this Yo-kai appears in the game.

⑱ SPECIAL ACQUISITION

Some Yo-kai can be acquired in special ways—for example, as a result of the story progression, or via evolutionary fusion or use of the Crank-a-kai.

⑲ REWARD

This lists the two items that the Yo-kai may drop when defeated. Note that the second item listed is "Rare"—that is, it has a far less chance of dropping.

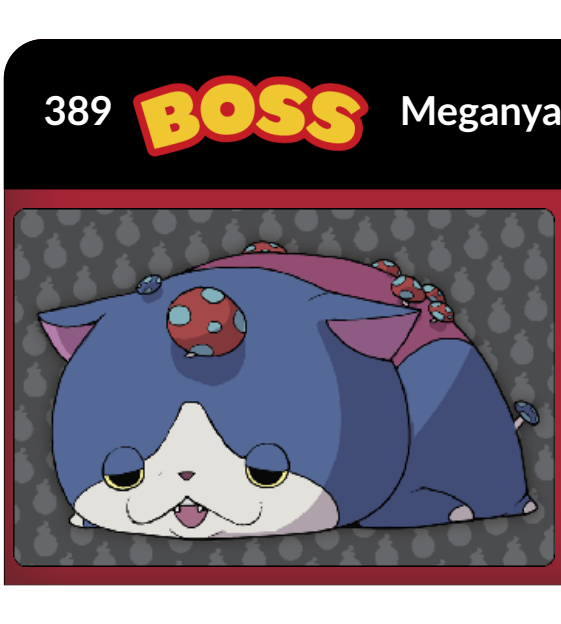
Medallium

Bosses

388 BOSS Gutsy Bones

A skeleton Yo-kai who lurks atop the school, playing with his beloved Crank-a-kai. He's always dropping medals through his body, but his crow friends are kind enough to pick them up.

389 BOSS Meganyan



Years of constant eating have made Hovernyan MASSIVE...and have given him the power to make others huge too!

390 BOSS Cap'n Crash

Once a famous pirate, he sank his ship on his final voyage after reading the map upside down. He was so upset, his spirit turned into a Yo-kai. He's been assembling a monstrous pirate crew ever since.

391 BOSS Eyeclone

Eyeclone is the Yo-kai who causes storms to rage during the summer. It's his ambition to set a new wind-speed record, but look on the bright side—the calm after he leaves is quite lovely.

392 BOSS Kin

The older of the twin sisters who have dedicated themselves to Dame Dedtime. She can turn back time and rewrite history using the power of the Time Stone given to her by her mistress.

393 BOSS Gin

The younger of the twin sisters who have dedicated themselves to Dame Dedtime. Her powers are scarily strong, but she can only use them when her big sis is nearby.

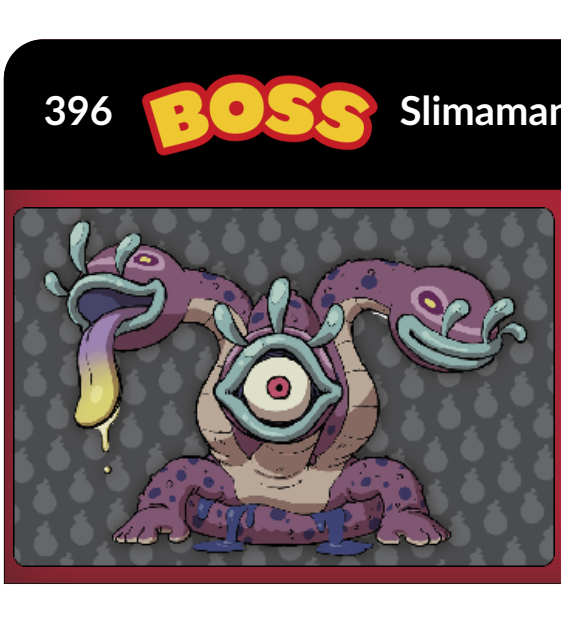
394 BOSS Dame Dedtime

Once a fair-faced young maiden, she spent most of her life behind bars for a crime she didn't commit. Now she robs humans of their happiness, just as she was robbed of hers.

395 BOSS Dame Demona

Dame Dedtime's power has spiraled out of control thanks to all the human auras she's absorbed, and now stealing time and happiness alone isn't enough—she wants the entire world! Stop her!

396 BOSS Slimamander



A huge snakelike Yo-kai with three big-mouthed heads and skin thicker than an elephant's. Aim for the eye in its mouth!

397 BOSS Eyedra

A huge salamander Yo-kai that lives in the underworld. Those fixed by his red-eyed gaze will cower in fear before being swallowed whole.

398 BOSS Sproink

Loves to bathe in super-hot water. Dip a toe before jumping in with him—you might be making a HUGE mistake!

399 BOSS Hoggles

Hoggles used to be a little piglet of a guy until he drank a broth made of other Yo-kai...then he got huge!

400 BOSS SV Snaggerjag

The guardian spirit of Catfish Pond, who flies into a rage if he sees anyone mistreating his beloved lake. The fish respect him a lot for this and will do whatever he asks.

401 BOSS Styx Mk. VI

The Styx Mk. VI fishes souls out of the fabled river of the underworld...no sinner can escape his net. On good fishing days, he sings sea chanties that resound throughout the inferno.

402 BOSS Massiface

If a giant, man-shaped shadow falls over you on a moonlit night, DO NOT turn around. Just stay still and wait until it's gone. Those who give in to fear and curiosity are never heard from again....

403 BOSS Clipso

This massive being roams the earth on cloud-covered nights, searching for kids who've stayed up too late. Sleep well!

404 BOSS Phantasmurai

This Yo-kai suit of armor wanders the museum at night. It's not actually possessed, but the little mouse inside doesn't want you to know that.

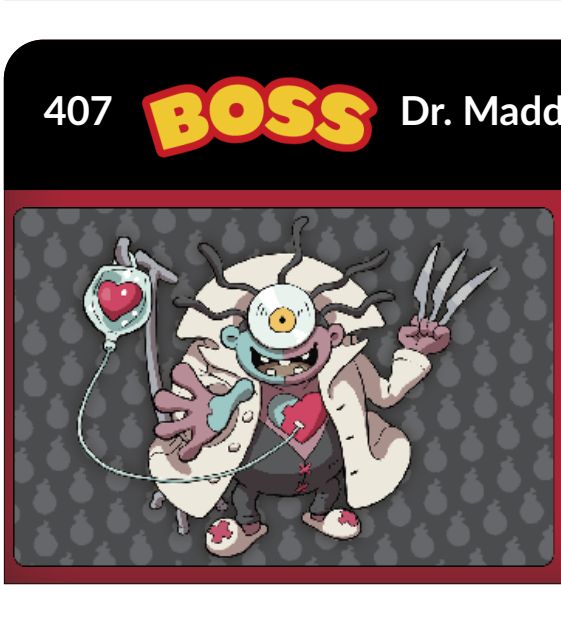
405 BOSS Spooklunk

This suit of armor once belonged to a mighty warrior but somehow found its way to the underworld. It's now raising an army in preparation for a return to the battlefield.

406 BOSS Tarantutor

A spider Yo-kai that lives in a school and spends his days looking for prime opportunities to eat students. Fortunately for the kids, he's so shy that he only comes out after they've gone home.

407 BOSS Dr. Maddiman



This madman used to perform experiments on humans at his hospital. Even as a Yo-kai, his search for new test subjects continues....

408 BOSS Dr. Nogut

A mad doctor Yo-kai trying to create an ultimate Yo-kai by combining Yo-kai and humans who fell into the inferno. He even used his own guts in one of his attempts.

409 BOSS McKraken

Squiddilius McKraken was the leader of a group that once tried to take over the Yo-kai World. He can absorb energy through the holes in his hands.

410 BOSS McKraken (Second Form)

McKraken absorbed the aura that pervaded Springdale and gained monstrous power. He has free rein over the elements to a cataclysmic degree.

411 BOSS Squisker

Sent to the inferno in disgrace after falling to one of McKraken's schemes, this former politician is still bitter about his banishment.

412 BOSS Duwheel

The blue, cheery side of Duwheel is always smiling. Don't upset it, though, or it'll flip upside down and turn an angry shade of red!

413 BOSS Chirpster

If you hear music coming from an old, abandoned mansion, this Yo-kai is probably partying there... and if you venture inside, you might just wind up dancing 'til dawn!

414 BOSS Wobblewok

Many Yo-kai fought and died to keep this terrifying beast sealed in a large cauldron in the inferno. Some still dare not utter the name Wobblewok aloud.

415 BOSS Hans Full

An experimental Yo-kai sewn together in secret by a desperate doctor. He really would have preferred one or two legs, but all he got was more and more arms.

416 BOSS Eyephoon

Uses his delusion-creating powers to erect gates all over Springdale. He uses the delusions of the people who have wandered through his gates to create other worlds.

417 BOSS Mallice

Time for a hammer! BAM BAM! BOOM BOOM! Cocky egomaniacs beware, or this giant will take you down a notch with one swing of his mallet. He holds an insane Whac-a-Mole record.

418 BOSS Cap'n Rex

The last in a long line of legendary pirates. His motto "Full steam ahead!" has sunk every ship he's sailed on, as well as his family legacy. He's known as Captain Shipwreck by sailors everywhere.

419 BOSS Flippa

Flippa and Floppa are minor witches who serve Dame Dredful. They're closer than sisters and can join forces to unleash a killer combo.

420 BOSS Floppa

Flippa and Floppa are minor witches who serve Dame Dredful. They're closer than sisters and can join forces to unleash a killer combo.

421 BOSS Dame Dredful

A witch who has spent years studying black magic. Her spells are imbued with a lifetime of bitterness and are extra powerful as a result. In her spare time, she likes to morph into a tin can.

422 BOSS Kat Kraydel

This string-pulling spirit controls the destiny of all humanity. It's up to you whether you go along with it or decide to fight fate!

423 BOSS Goldy Bones

Gutsy Bones got lucky, winning a Crank-a-kai loaded with cash! He spent all his winnings on making his body gold and partying every day, but he's since found out that it's lonely at the top.

424 BOSS Glitzy Bones

Gutsy Bones got himself covered in diamonds, but he's more interested in seeing what comes out of the Crank-a-kai next than in the fact that he's now the most valuable Yo-kai in the world!

425 BOSS Hans Galore

This friendly fellow is the designated meeter and greeter down on Mystery Way. Don't get on his bad side though, or the only thing he'll give you is a deadly handshake or five.

426 BOSS Retinado

A Yo-kai who enforces the speed limit on Mystery Way, where the cost of being caught speeding is your life! You'll know he's nearby when you see his camera flash.

427 BOSS Gargaros

A giant red Oni that appears in children's nightmares. Some say that he's the essence of fear itself. If you beat him, you'll grow as a person.

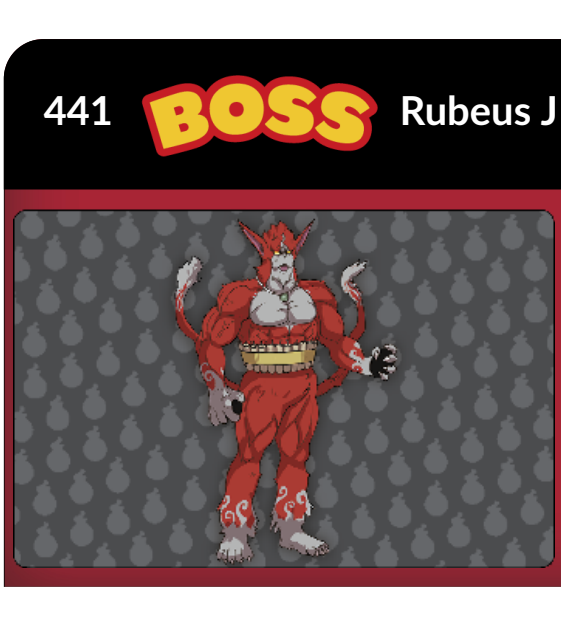
428 BOSS Ogralus

He prowls Terror Time, smashing and bashing his enemies. He befriends those with the strength and purity of heart to escape Terror Time.

429 BOSS Orcanos

Orcanos appears in the nightmares of lazy children and spanks them with its iron bat. The pain usually jolts them awake. So...did you do all of your homework?

441 BOSS Rubeus J



Feared as the strongest Yo-kai, this monster leaves a trail of defeated enemies in his wake. Accompanied by fiendish minions, Rubeus J can level a battlefield with his destructive power.

442 BOSS Hardy Hound

The majestic white body hides a savage soul. His backpack is full of explosive skulls that are reserved for his foes, and he devours the souls of those he defeats.

443 BOSS Hinozall

A godlike Yo-kai of infinite creativity, he can make anything imaginable and has been known to create many fantastic worlds.

444 BOSS Bronzlow

The younger brother of the twins who serve Dame Dedtime. He does his best to help his beloved sisters but his clumsiness often gets in the way and invokes their wrath.

445 BOSS Teastroyer

This huge raccoon dog uses his shape-shifting powers to become whatever he wants to become. He wears a huge tea kettle that can fuse two things into one. It can even fuse two Yo-kai together!

446 BOSS Infinipea

He's spent several hundred years spinning and spinning and spinning and...history has kind of passed him by. Civilizations rise and fall, technology marches on, and Infinipea spins. But lately, he's into meeting new people.

447 BOSS Headasteam

He's been at the controls so long, he's become one with the Hexpress's engine room. He eats coal to keep the train running, but he overheats a little too easily. Where will this runaway train stop?

448 BOSS Kabuking

The owner of Gera Gera Resort, he's also a superstar in the world of Kaibuki theater. He's friendly in person, but watch out for his stage persona. He's quite the fierce leading man.
